TEACHER: \_\_\_\_\_ SCHOOL YEAR: \_\_\_\_\_

## READY: Use the following questions to reflect and guide your goal setting

- ☐ What do I want to achieve this school year? *To help every student reach their learning goals and master the standards set by the state each year, be a model teacher*
- ☐ What are my strengths? Weaknesses? *Strengths: Analyzing data, curriculum planning  
Weaknesses: Differentiating instruction, individual skill delivery, keeping students engaged*
- ☐ What do I want my students to achieve? *The state standards, pass state testing, 21st century skills*
- ☐ What do I want to learn more about? *More effective ways to teach reading, how to keep students better engaged in learning*
- ☐ What are the needs of my students? *Differentiated instruction, reading strategy instruction to increase comprehension scores, strategies to write constructed responses in reading*
- ☐ In what ways do I need to better align my professional development with any district initiatives? *The district is using the Science of Reading. My goal is related to comprehension which is a part of the Science of Reading.*

## SET: SMART goal setting

<b>SPECIFIC</b>	What do you want to achieve?	<i>Use the 4-step mini-lesson process to deliver reading comprehension instruction that results in mastery of reading comprehension skills.</i>
<b>MEASURABLE</b>	How will you know when you've achieved your goal?	<i>The goal will be achieved when I have applied this best practice in reading instruction through lesson planning and delivery with 80% mastery.</i>
<b>ATTAINABLE</b>	Is your goal realistic and within your reach?	<i>The goal is achievable with the resources and time available during prep periods, team planning, &amp; early release/ delay starts.</i>
<b>RELEVANT</b>	What makes this goal appropriate for students? Yourself?	<i>The graded-release model used in the 4-step mini-lesson will help keep students engaged throughout the whole lesson, which in turn, means student achievement. The skills taught are rooted in grade-level standards.</i>
<b>TIME-BOUND</b>	When do you want to achieve this goal?	<i>Because this is a teaching practice that is appropriate across the board and there is ample time for practice, the goal can be achieved by the end of the school year.</i>

Use your responses to build a SMART goal below:

*I will intentionally plan and deliver 4-step mini-lessons during whole-class comprehension instruction in order to demonstrate 80% mastery of this best practice by the end of the school year.*

## **Teaching Professional Development Plan Professional Practice:**

Enhancing Professional Practice Charlotte Danielson, 2007-02-08 Describes a framework for teaching based on the PRAXIS III criteria which identifies those aspects of a teacher's responsibilities that promote improved student learning exploring twenty two components grouped into the four domains of planning and preparation classroom environment instruction and professional responsibilities

Teacher Evaluation to Enhance Professional Practice Charlotte Danielson, Thomas L. McGreal, 2000 Identifies some of the problems with many teacher evaluation systems presents a rationale for teacher evaluation and describes a structural framework for designing an effective evaluation system for beginning and tenured teachers

*Teacher's Professional Development* Sabine Krolak-Schwerdt, Sabine Glock, Matthias Böhmer, 2014-04-03 A central aspect of teachers professional knowledge and competence is the ability to assess students achievements adequately Giving grades and marks is one prototypical task in this context Besides giving grades assessments for school placements or tracking decisions belong to these tasks Relevant students characteristics which influence teachers assessments do not only involve academic achievement but also students responses to different task demands as well as non academic characteristics such as learning motivation or school anxiety Closely associated with the investigation of teachers assessment competences and more specifically the investigation of conditions associated with high quality of assessments is the development and evaluation of teacher training programs to improve professional competences In recent years there has been considerable progress in the domain of professional teacher training however only a very limited number of studies are dedicated to the question to what extent training programs might offer valuable approaches to improve the quality of assessments and to implement high assessment competences Another important field which is closely related to teachers competences concerns the question how teachers professional development is linked to students learning and learning outcomes In recent years the societal demand for evidence that teachers professional development will result in improved student learning outcomes is increasing This volume brings together questions on assessment training and learning in the professional development of teachers which have not been fully discussed yet The identification of these research gaps was the reason for dedicating a series of lectures given at the University of Luxembourg 2012 to the topic of professionalization of teachers in these domains Therefore this book contains contributions from outstanding international scholars in different academic disciplines to present ideas about open research questions concerning the domains of assessment training and learning in the professional development of teachers

**Teacher Evaluation to Enhance Professional Practice** Charlotte Danielson, Thomas L.
