Date: 29.06.18

Dear Team Members,

This is to inform you that the Marketing Department is organizing a Team Building Meeting for all our staff members on 2<sup>nd</sup> July, 2018 at Meeting Audi- 1 from 11 a.m. till 7 p.m.

In order to grow in our career, it is extremely important that we grow together and that can only happen if we work as a team so that our skills and talents synergize to bring better results. That's the reason our department keeps organizing various team building activities from time to time.

At this event, we have organized a meeting in which all team members will be asked to share their experiences as the team member. They can also come up with suggestions or share reasons which restrict them from delivering the performance they expect to. There will also be a few team building indoor games along with a lunch sponsored by the Company.

We look forward to your presence at this team building event which is been organized for helping each one of us grow. In case you think you will not be able to attend this meeting, kindly inform the same to Ms. Geeta Gupta at 98989-12345.

Best Regards,

Anjali Sharma

**Team-building Workshop** Vivette Payne, 2001 The *Team Building Workshop* was written specifically to help readers design and lead a two day team building workshop that achieves measurable results *The Art of Coaching Teams* Elena Aguilar, 2016-02-29 The missing how to manual for being an effective team leader The *Art of Coaching Teams* is the manual you never received when you signed on to lead a team Being a great teacher is one thing but leading a team or team development is an entirely different dynamic Your successes are public but so are your failures and there s no specific rubric or curriculum to give you direction Team development is an art form and this book is your how to guide to doing it effectively

You'll learn the administrative tasks that keep your team on track and you'll gain access to a wealth of downloadable tools that simplify the getting organized process. Just as importantly, you'll explore what it means to be the kind of leader that can bring people together to accomplish difficult tasks. You'll find practical suggestions, tools, and clear instructions for the logistics of team development as well as for building trust, developing healthy communication, and managing conflict. Inside these pages, you'll find concrete guidance on designing agendas, making decisions, establishing effective protocols, and more. Boosting your resilience, understanding and managing your emotions, and meeting your goals. Cultivating your team's emotional intelligence and dealing with cynicism. Utilizing practical tools to create a customized framework for developing highly effective teams. There is no universal formula for building a great team because every team is different. Different skills, abilities, personalities, and goals make a one-size-fits-all approach ineffective at best. Instead, *The Art of Coaching Teams* provides a practical framework to help you develop your group as a whole and keep the team moving toward their common goals.
