Discussing Conflict in Ethiopia Wolbert Smidt, Kinfe Abraham, 2007 This volume contains the papers presented at the Conference Ethiopian and German Contributions to Conflict Management and Resolution of November 2005 Addis Ababa The aim of this conference was to bring researchers and those working in the practical field of conflict resolution together before the background of renewed internal and international conflict Research in conflict resolution mechanisms is one of the most hopeful fields in modern social sciences Local conflicts can have devastating effects on the state and even involve the international level In turn international conflict can also destabilize society and create new local conflicts However local conflict resolution mechanisms could be of a great importance even within the international scene This volumes examines the experiences in Ethiopia and the impact the acquired knowledge could have for future conflict resolution and management

Hearing on Petroleum Marketing Practices and Their Impact on Small Business United States. Congress. Senate. Committee on Small Business, 1992 *Nevada's Teamsters, Truckers & Truck Stops* Jerry Aaron, 2015-06-01 This is a chronicle of trucking in the Silver State begins with the Teamsters of the late 1800s and follows the transportation trail as it progressed from bullwhacker to throttle jockey It provides an insight into the building of Nevada based trucking companies and is a narrative of early trucking The book will place the reader in the cab of a trucking time machine that covers over a hundred and fifty years of Nevada s transportation industry *Hearings, Reports and Prints of the House Select Committee on Small Business* United States. Congress. House. Select Committee on Small Business, 1966 *Small Business Bibliography*, 1963 Matchmakers David S. Evans, Richard Schmalensee, 2016-05-03 A different kind of matchmaker Many of the most dynamic public companies from Alibaba to Facebook to Visa and the most valuable start ups such as Airbnb and Uber are matchmakers that connect one group of customers with another group of customers Economists call matchmakers multisided platforms because they provide physical or virtual platforms for multiple groups to get together Dating sites connect people with potential matches for example and ride sharing apps do the same for drivers and riders Although matchmakers have been around for millennia they re becoming more and more popular and profitable due to dramatic advances in technology and a lot of companies that have managed to crack the code of this business model have become today s power brokers Don t let the flashy successes fool you though Starting a matchmaker is one of the toughest business challenges and almost everyone who tries to build one fails In *Matchmakers* David Evans and Richard Schmalensee two economists who were among the first to analyze multisided platforms and discover their principles and who ve consulted for some of the most successful platform businesses in the world explain how matchmakers work best in practice why they do what they do and how entrepreneurs can improve their chances for success Whether you re an entrepreneur an investor a consumer or an executive your future will involve more and more multisided platforms and *Matchmakers* rich with stories from platform winners and losers is the one book you ll need in order to navigate this appealing but confusing world
