The TRUE Bible Timeline R. Craig Bridgforth,2021-03-10 It is becoming increasingly popular among the intelligentsia to claim that treasured Bible history is nothing more than a myth Proponents conclude that since the church is unsure of when these events transpired perhaps they never happened in the first place Unfortunately this alarming trend appears to be gaining more acceptance in our seminaries and churches The True Bible Timeline seeks to dispel such notions by providing an accurate resource to properly date the Old Testament The result of a five year long project it accurately establishes and painstakingly documents the dates of key Bible figures and events starting with the Creation of Adam and ending at the Cross of Christ The complete chronology for 200 Bible events is included in the appendix Guided by His Wisdom author R Craig Bridgforth built this timeline through a meticulous process that allowed him to produce a trustworthy and accurate resource that will enrich studies of the Old Testament with new understanding and insight Developed almost entirely from Scripture this reference guide provides a reliable chronology of events and figures from the Old Testament
