Foreword by Christianity Today managing editor Mark Galli **The Weight of Your Words** Joseph M. Stowell, 1998-03-09

Sticks and stones will break my bones but names will never hurt me This lie has been taught to children for years We claim it strengthens them Allows them to let the harsh words of other children roll off their backs But the truth is that words have power Power to encourage Power to heal But also power to intimidate power to scourge and power to wound How are you using the power of words What we say has both spiritual and physical implications Revelation 21 8 tells us that liars have their place in the Lake of Fire And we all have seen the devastation wreaked by rumors on innocent reputations Yet with the same intensity kind words can soothe a broken spirit and restore shattered relationships Your words also say a lot about you Jesus said For out of the overflow of the heart the mouth speaks Matthew 12 34 If our hearts are not in tune with God neither will be our words In *The Weight of Your Words* Joseph Stowell shares the truth about the tongue straight from the Bible God's Word to His people He challenges us to not allow our mouths to be controlled by our anger or our circumstances but rather to be controlled by the Holy Spirit and His work in our lives Take inventory of your words and your heart attitude with Joseph Stowell in *The Weight of Your Words*
