Tunisian Girl Blogueuse Pour Un Printemps Arabe:

Tunisian girl Lina Ben Mhenni, 2011 C est la premi re r volution de l histoire accomplie par une g n ration de jeunes gens avec pour seules armes des ordinateurs des blogs des r seaux sociaux comme Facebook Twitter Flickr La jeune Lina Ben Mhenni aux commandes de son blog Tunisian Girl est l une des actrices les plus courageuses de cette guerre men e contre Ben Ali le dictateur tunisien Guerre virtuelle o s affrontent cyberactivistes cyberpirates cyberflics mais avec de vrais morts de vraies arrestations de vraies immolations jusqu ce jour du 14 janvier 2011 o le tyran qui a b n fici de la complaisance criminelle du monde occidental d gage enfin Tandis qu ex ministres arabes et ex ministres occidentaux palabrent sans vergogne sur le printemps arabe ce petit livre t moigne du r le ind niable de la g n ration Facebook pour la conqu te d un monde sans violence sans torture sans censure et sans chefs

The Gay Girl in Damascus Hoax Andrew Orr, 2023-04-03
The Gay Girl in Damascus Hoax explores the vulnerability of educated and politically engaged Westerners to Progressive Orientalism a form of Orientalism embedded within otherwise egalitarian and anti imperialist Western thought Early in the Arab Spring the Gay Girl in Damascus blog appeared Its author claimed to be Amina Arraf a Syrian American lesbian Muslim woman living in Damascus After the blog s went viral in April 2011 Western journalists electronically interviewed Amina magnifying the blog s claim that the Syrian uprising was an ethnically and religiously pluralist movement anchored in an expansive sense of social solidarity However after a post announced that the secret police had kidnapped Amina journalists and activists belatedly realized that Amina did not exist and Thomas Tom MacMaster a forty year old straight white American man and peace activist living and studying medieval history in Scotland was the blog s true author MacMaster s hoax succeeded by melding his and his audience s shared political and cultural beliefs into a falsified version of the Syrian Revolution that validated their views of themselves as anti racist and anti imperialist progressives by erasing real Syrians Watch our book talk with the author Andrew Orr here <https://youtu.be/MnaaxlO6Vuw>

Tunisian Women's Writing in French Sonia Alba, 2018-11-21 Tunisian women s literary production in French published or set between the years 1987 and 2011 from Tunisia s second president Zine El Abidine Ben Ali s rise to power to the eve of the Tunisian Revolution reveals the role of women their political engagement and their resistance to patriarchal oppression A great deal of media and scholarly attention has focused on the role of women during the Tunisian Revolution itself yet few studies have considered women s literary and active engagement prior to the uprising By contrast this book focuses specifically on the time period leading to the Revolution The book is structured around three chapters each focusing on a different form of writing and on a number of contemporary Tunisian writers who have chosen to express themselves in French Sonia Alba explores the complex ways in which the authors have attempted to deal with those issues cultural social and political most relevant to them This is the first study of Tunisian women s writing in French to compare and contrast key themes in three different genres within a single study and within the conceptual framework of subaltern counterpublics The work is enhanced by the inclusion of extracts

from previously unpublished authors interviews Tunisian Women's Writing in French is essential reading for all Francophone and Postcolonial scholars and for scholars and students working in Contemporary Women's Writing *Gender, Women and the Arab Spring* Andrea Khalil, 2016-04-14 This book provides a unique investigation into the gender dynamics of the Arab Spring as it unfolded in North Africa It covers issues such as gender legislation in the post revolution period sexual harassment gender activism politics and the female body women and Islamist movements state feminism women and political economy and women's rights in the context of political transitions Chapters on Morocco Tunisia Algeria Libya and Egypt are written by specialist and activists from those countries It includes a rare first hand insight into the gender debates human rights violations and politics of post Qaddafi Libya written by a Libyan scholar directly engaged in these developments An analysis of post Mubarak gender debates in Egypt is detailed by a gender activist and scholar currently engaged in these debates in favour of gender equitable legislation and human rights in Egypt Two former Ministers of Women's Affairs from Tunisia and Algeria who are also prolific scholars provide analysis on the situation of women's rights in the context of Islamism and freedom of artistic expression in Tunisia and Algeria In addition to these first hand accounts written by North African political and civil society actors the book provides a comprehensive theoretical background that allows for readers to understand the historical and deeper cultural contexts of gender struggles The Foreword frames the larger debate about gender equality and democratisation in the North Africa Middle East region and clearly presents the lines of investigation of the chapters Each chapter contains a clear framing of the subject that will orient educate and intelligently inform the general reader about the history current developments and stakes of women's struggles that have intensified and shifted since the beginning of the Arab Spring This book was published as a special issue of the Journal of North African Studies The Tunisian Women's Rights Movement Jane D Tchaïcha, Khedija Arfaoui, 2017-07-14 Tunisian women have received significant attention for their active participation in preserving and extending women's rights since 2011 However their activism and latest achievements should be considered not a recent phenomenon but rather part and parcel of a distinctive local history that has included women as agents of change This book examines Tunisian women's lived experiences as individuals and as a group within a sociohistorical framework that uncovers the enduring feminine footprint over centuries and eventually underpins and defines their most recent fight for gender equality in postrevolutionary Tunisia The historic and current presentation of Tunisian women's public and civic engagement distinguishes between different types of women's objectives in order to examine women's activism holistically as it evolved in the local context The Tunisian Women's Rights Movement will be of interest to students and scholars of Tunisia North African and Middle East Studies and gender in the Arab world

The New Arabs Juan Cole, 2015-10-20 The renowned blogger and Middle East expert Juan Cole illuminates the role of today's Arab youth who they are what they want and how they will affect world politics Beginning in January 2011 the revolutionary wave of demonstrations and protests riots and civil wars that comprised what many call the Arab Spring shook

the world These upheavals were spearheaded by youth movements and yet the crucial role they played is relatively unknown Middle East expert Juan Cole is here to share their stories For three decades Cole has sought to put the relationship of the West and the Muslim world in historical context In *The New Arabs* he outlines the history that led to the dramatic changes in the region and explores how a new generation of men and women are using innovative notions of personal rights to challenge the authoritarianism corruption and stagnation that had afflicted their societies Not all big cohorts of teenagers and twenty somethings necessarily produce movements centered on their identity as youth with a generational set of organizations symbols and demands rooted at least partially in the distinctive problems besetting people of their age *The Arab Millennials* did And in a provocative and optimistic argument about the future of the Arab world *The New Arabs* shows just how they did it Provided by publisher **Art and the Arab Spring** Siobhan Shilton, 2021-07-08 The revolutions that began to sweep across countries in North Africa and the Middle East in December 2010 like other revolutions in diverse modern historical contexts have often been articulated internally and externally in black and white terms of success or failure liberation or constraint for or against friend or enemy These internal and external clichés are perpetuated by what Jellel Gasteli has called icons of revolutionary exoticism Paying particular attention to works from the Tunisian Revolution of 2011 this book examines a diverse body of art including photography sculpture graffiti performance video and installation by over twenty five artists Examining how art can evoke the idea of revolution *Art and the Arab Spring* reveals a new way of understanding these revolutions their profound cultural impact and of the meaning of the term revolution itself **Digital Political Cultures in the Middle East since the Arab Uprisings** Dounia Mahlouly, 2023-05-18 This book offers a ten year perspective on ongoing and evolving practices of digital activism across the Middle East and North Africa drawing on interviews and ethnographic evidence collected between 2012 and 2022 It examines the shifting narrative around digital activism in the region from the wake of the 2011 uprisings to the 2019 series of protests coined the second wave of the Arab Spring It considers how media activists navigate the transition from the emergent to the mainstream in a climate of contentious politics following the civil mobilisations of the pro revolutionary youths in Tunisia Egypt and Lebanon It outlines the particularities of these three different political contexts and media environments featuring case studies of the Tunisian blogosphere online campaigning in the Egyptian elections and interviews with social media activists In light of this empirical evidence the book offers a critique of the increasing prevalence of a security perspective through which online activism has been viewed and its deleterious effect on digital political engagement in the region **Le cyberactivisme au Maghreb et dans le monde arabe** Sihem Najjar, 2013-01-01 Le cyberspace permet des acteurs sociaux d aller au del de l espace habituel d expression d interaction et de n gociation pour investir un nouvel espace temps citoyen Tirant profit du d veloppement des technologies de l information et de la communication TIC le citoyen s engage dans des actions touchant des domaines d intervention aussi divers que l environnement le d veloppement local le d veloppement durable les droits de l

The Role of Media during the Arab Spring with Particular Focus on Libya Eric Holtschke, 2013-02-27 Seminar paper from the year 2013 in the subject Earth Science Geography Geopolitics grade 1 0 Charles University in Prague Faculty of Social Sciences language English abstract When the people in the Arab world started to go out on the streets in December 2010 for the very first time for years no one of the demonstrators and protesters who were fighting for their rights to live in a better world in peace freedom and democracy expected that level of change as a result of their behaviour Those inconceivable aftermaths did not exist neither in the minds of the people in Tunisia the nucleus of the Arab Spring nor in the minds of the people who were joining that wave of protest country by country afterwards Before that uprising arrived Libya which is in the focus of attention here in February 2011 the revolt expanded over the Middle East and North Africa Never before mass media including radio television and especially the internet with Facebook Twitter and YouTube was taken such a significant role during uprisings since the end of the year 2010 No one of the participants who were involved in this uprising no one of the politicians no one of the citizens in the Western world no one of the former leader of those regimes and no one of the media companies could count on this great measure of transformation in the Arab world States were dissolved former inhuman leaders of a regime were captured or killed and new fundamentals of a modern democratic and liberalized nation were created by the people or the opposition of those long lasting dictatorial and authoritarian leaders *How Information Warfare Shaped the Arab Spring* Greenberg Nathaniel Greenberg, 2019-06-12 On January 28 2011 WikiLeaks released documents from a cache of US State Department cables stolen the previous year The Daily Telegraph in London published one of the memos with an article headlined Egypt protests America s secret backing for rebel leaders behind uprising The effect of the revelation was immediate helping set in motion an aggressive counter narrative to the nascent

story of the Arab Spring The article featured a cluster of virulent commentators all pushing the same story the CIA George Soros and Hillary Clinton were attempting to take over Egypt Many of these commentators were trolls some of whom reappeared in 2016 to help elect Donald J Trump as President of the United States This book tells the story of how a proxy communications war ignited and hijacked the Arab uprisings and how individuals on the ground on air and online worked to shape history

Crises d'identité et droits fondamentaux de la personne humaine, 2014-02-01 Cet ouvrage s'interroge sur les conséquences pour les droits fondamentaux des deux crises d'identité qui ont récemment éclaté en France la crise d'identité nationale attisée par Nicolas Sarkozy et la crise d'indignation suscitée par Stéphane Hessel Il réunit des réflexions synthétiques sur les grandes évolutions des droits fondamentaux survenues de 2009 2011 dans les différentes branches du droit et des analyses fouillées des principaux textes fondamentaux et affaires qui ont marqué la période

Renaissances arabes Michaël Béchir Ayari, Vincent Geisser, 2011 Présentation de l'auteur Tunisie Egypte Bahreïn Libye Yémen Syrie Jordanie Maroc Un vent de liberté souffle sur le Maghreb et le Machrek Des dictateurs réputés indéboulonnables fuient leurs pays d'autres tentent de sauver une parcelle de leur pouvoir d'autres résistent en réprimant dans le sang le soulèvement de leur peuple Comment expliquer le surgissement de ces révolutions dans des pays considérés il y a peu par la plupart des observateurs occidentaux comme inaptes à la démocratie Ce livre répond sept questions clés qui permettent de comprendre d'où vient et où va le Printemps arabe Ces révolutions sont-elles bourgeoises ou populaires Ont-elles été guidées par les États-Unis à l'instar des révolutions orange d'Europe de l'Est Quel rôle ont joué les militaires Quelles ont été les places de Facebook et de Twitter dans leur déroulement Les femmes que l'on imaginait soumises ont-elles eu un rôle déterminant La poussée démographique des jeunes peut-elle expliquer cet événement Que deviennent les islamistes dans ce mouvement sans précédent Sans que l'on puisse prédire leur devenir les révolutions arabes prennent d'ores et déjà place parmi les grands événements contemporains Cet ouvrage appelle à faire référence donne les points de repère indispensables pour comprendre la complexité et l'ampleur de ces renaissances arabes Biographie de l'auteur Michaël Béchir Ayari est docteur en sciences politiques chercheur associé à l'Institut de recherches et d'études sur le monde arabe et musulman IREMAM d'Aix-en-Provence Il est actuellement senior analyst dans une organisation internationale Tunis Auteur de nombreux articles sur la Tunisie et le monde arabe il contribue régulièrement à la revue L'Année du Maghreb CNRS Editions Vincent Geisser est chercheur à l'Institut français du Proche-Orient IFPO de Beyrouth et préside le Centre d'information et d'étude sur les migrations internationales CIEMI de Paris Spécialiste du monde arabe et des questions d'islam en Europe il a notamment publié La nouvelle islamophobie aux Editions La Découverte en 2003 Le syndrome autoritaire Politique en Tunisie de Bourguiba Ben Ali aux Presses de Sciences Po en 2003 avec Michel Camau Discriminer pour mieux régner Enquête sur la diversité dans les partis politiques aux Editions de l'Atelier en 2008 avec El Yamine Soum et Dictateurs en sursis La revanche des peuples arabes aux Editions de l'Atelier en 2011 avec Moncef Marzouki
