Turfloop a Conscious Pariah Kanyane Chris Kanyane,Chris Kanyane,2010 This book provides reflections on the butterfly effect on how Turfloop brought in the Age of Barack Obama What is the Age of Barack Obama To paraphrase Dr Ineke Van Kessel a prominent historian at the Leiden University in the Netherlands The University of the North also known as Turfloop played a vital role as the center of communication coordination ideological direction the engine of bringing the new South Africa was University of the North We approached this book like detectives Fortunately in our detective work we were not concerned with a particular agenda we were not trying to prove that a certain method of thinking was right or wrong We didn t want this book to be filled with personal opinions and biases We wanted this book to be juice and accessible to every person who reads it in whatever corner of the world We have to back up our story with facts of course and get other people to do practical analysis and later we added our own perspectives When we completed writing this book we passed it around amongst critical people spread across the globe Most of them said that the book is somehow highbrow and at the same time all together lowbrow which came as a compliment A lot of people are somewhere in between We want this book to embody that because there are many people there we want them to appreciate this book Report ,1961 **The Secret in My Bosom** Gomolemo Mokae,1996 Buthelezi Ben Temkin,2013-10-31 Ben Temkin Buthelezi s biographer had the full co operation of Chief Buthelezi in the writing of this book There were interviews and discussions in KwaZulu and in Johannesburg in offices at the airport in hotels in private homes and even while they travelled between centres in KwaZulu

International Handbook of Universities ,2010 **Apartheid and the Making of a Black Psychologist** N. Chabani Manganyi,2016-05-01 This intriguing memoir details in a quiet and restrained manner with what it meant to be a committed black intellectual activist during the apartheid years and beyond Few autobiographies exploring the life of the mind and the history of ideas have come out of South Africa and N Chabani Manganyi s reflections on a life engaged with ideas the psychological and philosophical workings of the mind and the act of writing are a refreshing addition to the genre of life writing Starting with his rural upbringing in Mavambe Limpopo in the 1940s Manganyi s life story unfolds at a gentle pace tracing the twists and turns of his journey from humble beginnings to Yale University in the USA The author details his work as a clinical practitioner and researcher as a biographer as an expert witness in defence of opponents of the apartheid regime and finally as a leading educationist in Mandela s Cabinet and in the South African academy *Apartheid and the Making of a Black Psychologist* is a book about relationships and the fruits of intellectual and creative labour Manganyi describes how he used his skills as a clinical psychologist to explore lives both those of the subjects of his biographies and those of the accused for whom he testified in mitigation his aim always to find a higher purpose and a higher self

Transformation in Higher Education Nico Cloete,2006 This book presents the most comprehensive and most thorough study of the developments in South African higher education and research after the first democratic elections of

1994 that is of post Apartheid South African higher education This volume will provide its readers with a detailed insight into the new i e post 1994 South African higher education system The large number of experienced authors and editors involved in the book guarantees that the reader will be introduced in the new SA higher education system from a large number of perspectives that are presented in a consistent and coherent way This book will be of interest to scholars students administrators policymakers and politicians interested in South Africa higher education and research and policy analysis Publications on higher education are not new But this volume which is the first of its kind as a collective effort of tracing and examining the twists and turns taken by processes of change in the South African higher education system in a context of profound societal and global transformation adds a fresh dimension to the debate In its examination of the extent to which the changes were in line with policy intentions particularly with regard to equity democratisation responsiveness and efficiency and how a new institutional landscape started emerging it makes a momentous contribution to the current debate about higher education restructuring Njabulo Ndebele Vice chancellor University of Cape Town and Chair of the South African Association of University Vice chancellors This book addresses a rich variety of issues on South African higher education It puts these in the relevant context of the process of globalization and it shows that the South African experiences offer us a lot to learn Highly recommended for those who are intrigued by the innovations taking place in South African higher education as well as for those who intend to grasp the effects of globalization Frans van Vught Rector Magnificus and founding Director of the Center for Higher Education Policy Studies University of Twente The Netherlands Reflection is a crucial ingredient to learning In this book on higher education we have reflections on a unique period in the history of a country that managed its transition to democracy in a way that was unique but from which we can all learn Higher education in South Africa played a vital role in that transition and was part of the many tensions choices and influences They have been thoughtfully captured Brenda Gourley Vice chancellor The Open University UK and board member Centre for Higher Education Transformation No contemporary higher education system has changed as dramatically as that in South Africa This book rich in data examines the changes that took place and offers insights into how change frequently cannot be predicted The analysis captures the excitement high expectations remarkable successes and failures in the transformation of the apartheid system of higher education This excellent study provides rich fare for comparative analysis Fred M Hayward American Council on Education Pilot Project Executive Vice President Council for Higher Education Accreditation US

Looking Through Philosophy in Black Mabogo Percy More, 2018-12-11 This autobiography is a series of interrelated true life events and decisions taken by a black philosopher that highlight the human drama unfolding in the inferno of the South African apartheid system Mabogo More details what it means to be a black philosopher in an anti black apartheid academic world More s life story traces his emergence in philosophy and his pursuit of a philosophical dream a dream that takes him from his South African black ghetto township to American and British universities and finally to the prestigious Frantz Fanon
