Fewer, Bigger, Bolder Sanjay Khosla, Mohanbir

Sawhney, 2014-07-24 When it comes to growing revenues not all dollars are equal In company after company that Sanjay Khosla and Mohanbir Sawhney worked for or researched they saw businesses taking on more products more markets more people more acquisitions adding more of everything except what really mattered sustainable and profitable growth And in many of these companies large or small from America to Europe to Asia every quarter became a mad dash to find yet another short term revenue boost There had to be a better way an alternative to the scramble for mindless expansion The answer lies in Fewer Bigger Bolder a market proven step by step program to achieve sustained growth with rising profits and lower costs The authors prove that given the right incentives managers using this program can produce astonishing results in amazingly short time frames That's exactly what Khosla accomplished as President of Kraft's developing markets which enjoyed eye popping revenue growth from 5 billion to 16 billion in just six years while profitability increased 50% Sawhney a professor at Northwestern's Kellogg School of Management discovered a similar formula for stellar results when advising a portfolio of businesses from Fortune 500 giants to technology start ups No matter how big the company or how difficult the economic environment managers who use this seven step program Focus7 will learn how to make fewer but bigger bets and to create a virtuous cycle of growth Fewer Bigger Bolder crosses the usual boundaries of strategy execution people and organization Its framework shows how you can drive growth by targeting resources against priorities simplifying your operations and unleashing the potential of your people By challenging the conventional wisdom about growth Fewer Bigger Bolder is likely to ignite a vigorous debate throughout the business community It's a game changing book that couldn't be more timely Or more needed

Lawfully Using Autonomous Weapon Technologies Jonathan Kwik, 2024-08-02

This monograph provides a practical and operational perspective to the question of how to lawfully employ autonomous weapon systems AWS from the point of view of the technology's end users field commanders While there is international consensus that targeting rules such as proportionality and precautions must be respected when using AWS there is legal and practical ambiguity as to how to translate this normative commitment into practice How are commanders in the field when guns are already blazing expected to exercise command and control when ordering AWS attacks and ensure that their targeting obligations remain fulfilled The book discusses how commanders can use existing targeting frameworks to ensure that their use of AWS remains in compliance with the rules governing the conduct of hostilities It invites the reader to step into the

shoes of the military commander with all the operational pressure and uncertainty inherent to this position and explores amongst others How to maintain control of AWS throughout a targeting cycle How to make informed and reasoned deployment decisions by analysing information related to the technical parameters of the AWS the characteristics of the operational environment and enemy countermeasures Under which circumstances AWS may not be used under targeting rules such as indiscriminate attack proportionality and the duty to cancel suspend What extra precautionary measures unique to AWS technology can and should be employed When it is militarily desirable to employ AWS over other alternatives and Under what circumstances criminal liability may be attributed for AWS related harm It offers both academic and practical outputs new legal and doctrinal insights on the technology that is useful for future legal developments and workable recommendations and efficient flowcharts that can be adopted by commanders military organisations or policymakers to ensure IHL compliant deployment of AWS Dr Jonathan Kwik is a researcher at the T M C Asser Institute in The Hague specialised in artificial intelligence and targeting law and is a member of the Board of Experts of the Asia Pacific Journal of International Humanitarian Law *Hypergamy's Hypocrisy* Connie Riker,101-01-01 Are Men Weaponizing Migration Birth Rates and Sharia to Erase Women's Freedom Why must women carry the burden of resisting male colonization in their own nations How long before multiculturalism becomes code for female enslavement How this book will ignite your fury shares and sales Expose the male blueprint to dismantle feminist progress through mass migration and legal subversion Unmask the birth rate jihad men's plot to breed feminism into extinction Crush the lie that Sharia respects women as patriarchal courts invade secular law Destroy grooming gangs exploiting tolerance to prey on uncovered women Smash toxic masculinity's double bind men are damned if they lead damned if they bleed Reject male logic the weapon used to gaslight women into submission Arm yourself against war bride slavery masquerading as cultural tradition Unite the global sisterhood to purge patriarchal invaders borders closed wombs locked laws weaponized If you want to arm yourself against the global male jihad before your rights are buried under birth rates burqas and bad faith diversity buy this book today CIO ,2004-09-01
