Heimbach, 2004-11-09 Daniel Heimbach examines the biblical teachings on sexual morality as well as four counterfeit views that have crept into our sexually revolutionized society He gives us an in-depth look at the moral relativism that has spread through our culture and opens our eyes to the effects that nonbiblical sexual choices have on individuals the family the church and the culture *True Love* Sarah E. Farro, 2021-05-21 True Love A Story of English Domestic Life 1891 is the first and only novel by Sarah E. Farro Inspired by the works of Dickens and Thackeray this novel models itself on the stories of romance and everyday life popular in Victorian England When True Love A Story of English Domestic Life appeared in print Farro became the first black woman to publish a novel in the United States Despite this distinction her name and reputation would largely have faded into history if not for the effort of recent scholarship which seeks to restore her status as a pioneering African American woman while contextualizing her work within the study of Victorian literature Mrs Brewster is an unhappy woman A carpenter's daughter she spent years in poverty before receiving a sizable inheritance from a distant relative granting her and her two daughters a minimum of stability for the first time in their lives Despite this she endures an

abusive joyless marriage to a merchant tailor and longs for a way to escape middle class life When her daughter Janey becomes engaged to a wealthy aristocrat Mrs Brewster grows hopeful of the opportunity to tie herself to her fate Not far from the Brewster home Charles Taylor lives in an ornately decorated mansion Having inherited a large sum from his capitalist father he leads a boring luxurious existence For Taylor marriage is a matter of romance a bond between a man and a woman with no economic significance whatsoever For Mrs Brewster her daughter is worth her weight in gold With a beautifully designed cover and professionally typeset manuscript this edition of Sarah E Farro s *True Love A Story of English Domestic Life* is a classic of African American literature reimagined for modern readers *God Gave Rock and Roll to You* Leah Payne,2024-01-04 An entertaining history of the soundtrack of American evangelical Christianity Few things frightened conservative white Protestant parents of the 1950s and the 1960s more than thought of their children falling prey to the menace to Christendom known as rock and roll The raucous sounds of Elvis Presley and Little Richard seemed tailor made to destroy the faith of their young and in the process undermine the moral foundations of the United States Parents and pastors launched a crusade against rock music but they were fighting an uphill battle Salvation came in a most unlikely form Well maybe not that unlikely the long hair the beards the sandals but still a far cry from the buttoned up conservative Protestantism they were striving to preserve Yet when a revival swept through counterculture hippie communities of the West Coast in the 1960s and 1970s a new alternative emerged Known as the Jesus Movement and its members more colloquially as Jesus freaks the revival was short lived But by combining the rock and folk music of the counterculture with religious ideas and aims of conservative white evangelicals Jesus freaks and evangelical media moguls gave birth to an entire genre known as Contemporary Christian Music CCM By the 1980s and 1990s CCM had grown into a massive multimillion dollar industry Contemporary Christian artists were appearing on Top 40 radio and some most famously Amy Grant crossed over into the mainstream And yet today the industry is a shadow of what it once was In this book Leah Payne traces the history and trajectory of CCM in America and in the process demonstrates how the industry its artists and its fans shaped and continue to shape conservative mostly white evangelical Protestantism For many outside observers evangelical pop stars interpretive dancers puppeteers mimes and bodybuilders are silly expressions of kitsch Yet Payne argues that these cultural products were sources of power meaning and political activism Throughout she draws on in depth interviews with CCM journalists publishers producers and artists as well as archives sales and marketing data fan magazines merchandise everything that went into making CCM a thriving subculture Ultimately Payne argues CCM spurred evangelical activism in more potent and lasting ways than any particular doctrine denomination culture war or legislative agenda had before

Billboard ,2004-03-27 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Latino American*

Cinema Scott L. Baugh, 2012-04-13 Latino American cinema is a provocative complex and definitively American topic of study. This book examines key mainstream commercial films while also spotlighting often underappreciated documentaries, avant garde and experimental projects, independent productions, features and shorts, and more. *Latino American Cinema: An Encyclopedia of Movies, Stars, Concepts, and Trends* serves as an essential primary reference for students of the topic as well as an accessible resource for general readers. The alphabetized entries in the volume cover the key topics of this provocative and complex genre: films, filmmakers, star performers, concepts, and historical and burgeoning trends alongside frequently overlooked and crucially ignored items of interest in Latino cinema. This comprehensive treatment bridges gaps between traditional approaches to U.S. Latino and Latin American cinemas, placing subjects of Chicana and Chicano, Puerto Rican, Cuban, and diasporic Cuban and Mexican origin in perspective with related Central and South American and Caribbean elements. Many of the entries offer compact definitions, critical discussions, overviews, and analyses of star artists, media productions, and historical moments, while several foundational entries explicate concepts, making this single volume encyclopedia a critical guide as well.
