**Dangerous Liaisons** Pierre Choderlos de Laclos, 2023-04-26 *Dangerous Liaisons* Les Liaisons dangereuses is an early French novel by Pierre Choderlos de Laclos first published in four volumes in 1782. At the time of its publication, novels were a new literary form, and Laclos chose to present his story in an epistolary style, composing the novel solely of a series of letters written by the major characters to each other. It was first translated into English in 1812 and has since become universally regarded as one of the most significant early French novels. The story is framed around the Marquise de Merteuil and the Vicomte de Valmont, two narcissistic French aristocrats and rivals who enjoy games of seduction and manipulation and who most especially enjoy one upping each other. The letters they send to each other portray an interconnected web of seduction, revenge, and malice, and are interspersed with the more innocent letters of their victims. *Dangerous Liaisons* has often been seen as a depiction of the corruption and depravity of the French nobility shortly before the French Revolution, thereby making a negative statement about the Ancien Régime. But it's also a depiction of the timeless problems surrounding sex and love, and a realistic portrayal of desires that are often beyond our control. As Laclos enjoyed the patronage of Louis Philippe II, the Duke of Orléans, and as other royalist and conservative figures like Queen Marie Antoinette enjoyed the book, it's likely it wasn't seen as a morality tale until after the French Revolution.

*Dangerous Hearts* Mary E. Twomey, 2020-10-02 Life in the village isn't as safe as Adelita thought it would be. With a new family ready to take her in, Adelita still isn't quite sure she belongs, bringing danger ever nearer to her one safe place. Though she's beginning to fall into a rhythm with the three warriors, their protection has some serious setbacks whenever she questions the formidable Cruz. The Kalku haven't stopped hunting her down. They are determined to steal her strength at any cost. When Adelita realizes the protection the village offers might be at risk, she knows that even though she wants to remain with them, if she wants to keep them safe, she has to leave them all. Even the ones who have stolen her heart. If you like Veronica Roth, Bella Forrest, and first kisses with a bit of sweetness and scandal, you'll love this urban fantasy romance series with a dystopian edge. The series is based in Hispanic folklore with an entirely Hispanic cast of characters. One Click book two in the *Savage Hearts* paranormal romance series written by USA Today Bestselling Author Mary E. Twomey today. [A Dangerous Temptation](#) L.R. Olson, Finalist in the New England Readers Choice Awards. Ruined by scandal, Julianna has hidden away in the country for the last few years, hoping her indiscretion will eventually fade from the memory of society. Yes, she's been lonely at times, but she's content enough to follow her own rules. And when that bothersome nagging sensation

that she's missing something more, she's able to shove it aside and focus on her friends, family, and her true passion, painting. Until James arrives, James is arrogant, demanding, and makes her believe that anything is possible, even a second chance at love. But is James the man he pretends to be? James always gets what he wants, and he wants marriage to a woman who will honor and, more importantly, obey. The problem is when he meets Julianna while he's bathing nude; no less, he suddenly starts to question his carefully constructed plans. Bold and daring, Julianna is the very opposite of a meek, obedient wife. He certainly doesn't need any more scandal; his family has had quite enough. And having an affair with Julianna would definitely bring scandal. The problem is he can't seem to get her out of his head. But is she truly the sweet country girl she portrays herself to be, or a conniving fortune hunter out to trap him into marriage? Book 1: A Dangerous Temptation, Volume 1; Book 2: A Dangerous Deception, Volume 1. 3 Please note: because of cursing and content, these volumes are recommended for readers eighteen years of age and older.

**Dangerous Connections** Choderlos de Laclos, 2023-10-19 In *Dangerous Liaisons*, Choderlos de Laclos intricately weaves a narrative of seduction and manipulation set against the backdrop of the 18th-century French aristocracy. Utilizing an epistolary format, Laclos crafts a labyrinthine tale where correspondence reveals characters' duplicity and moral ambiguity. The novel's incisive exploration of love, betrayal, and the power dynamics within social interactions resonates beyond its historical context, reflecting the Enlightenment's fascination with reason and human behavior. Laclos's eloquent prose invites readers into a world saturated with sensuality and tactical cunning, making it a cornerstone of French literature. Choderlos de Laclos, a French army officer and novelist, utilized his keen understanding of societal structures and human motivations in crafting this provocative work. His background in the military, coupled with a deep awareness of the political climate of his time, informed his depiction of the machinations of the elite. Laclos sought to critique the moral decay of the aristocracy, making *Dangerous Liaisons* not merely a story of romance but a commentary on the consequences of societal excess and ethical vagueness. For readers drawn to complex characters and richly layered narratives, *Dangerous Liaisons* is an essential literary experience. It invites reflection on the eternal themes of power, desire, and the often treacherous nature of human relationships. This timeless classic not only captivates with its vivid storytelling but also challenges readers to confront the moral implications of their own connections.
