Trusting God Object Lessons:

Everyday Object Lessons for Youth Groups Helen Musick, Duffy Robbins, 2011-04-19 You may not like it that students forgot your talk on temptation but remembered your mouse trap object lesson but the fact remains that nothing brings a lesson to life more vividly and concretely or wakes up a drowsy Sunday school class faster than a good object lesson In *Everyday Object Lessons for Youth Groups* the authors who are youth workers and teachers of youth workers pool their most effective 45 object lessons into a collection that is perfect for both junior and senior high youth groups Here are no prep and low prep object lessons for devotionals Sunday school lessons talks at camps and retreats even for sermons Inside you will find object lessons about Beauty using a kiwi fruit Regret a mirror Divine protection sun block Anger Alka Seltzer and 7 Up The power of words Popsicle sticks Priorities manure Confession hydrogen peroxide Temptation a mousetrap The person of Jesus keys Conformity Play Doh Endurance bricks and 34 more quirky and attention getting object lessons Use them to open your lessons to dramatize your talks to close your Bible studies with a demonstration However you use them you have Bible references and provocative discussion starting questions with each object lesson to help you take it in any direction you want And with both a topical and a scriptural index you can find the perfect object lesson fast *Teach Them: 50 Fantastic Object Lessons for Children's Ministry* Michael Kientz, 2010-02-12 When children are engaged they learn Creativity captures their curiosity and helps the truth of God's Word to sink deeply into the soil of their hearts And God is faithful He will continue to water and care for those seeds until they produce a harvest In this book you will find creative dynamic object lessons that let children participate in their learning They draw on lessons from science stories popular games and even a little magic and they are always firmly rooted in truth from God's Word Both new teachers and old will find these lessons easy to use and fun to deliver Children will want to share what they learn with their families and friends and they will be excited to see what you are going to teach them next week **Bible object lessons, 30 sermons** Harry John Wilmot- Buxton, 1903 Object Lessons for a Year (Object Lesson Series) David J. Claassen, 1987-01-01 This indispensable easy to use tool for Sunday school teachers and pastors offers a year's worth of attention grabbing object lessons Guaranteed to spice up any story time or lesson *The Church's Object Lessons* Edgecombe Walter Leachman, 1925 *Trusting God to Get You Through* Jason Crabb, 2011-01-04 More than anything else this book is about an amazing God who reaches down and touches ordinary lives It is a testimony of all He has done for Jason Crabb's family and for the people he has been privileged to meet throughout the years on the road He wrote this book because every soul walks through the fire of adversity Most of us have walked that plank several times Whether the life of your dreams is unfolding before your eyes or you are losing hope that it ever will you have tasted a trial or two No human being with breath in his lungs can say Difficulty has never darkened my doorstep You may have entirely different life experiences than Jason Yet when you look in the rearview mirror you can see the high points and low points of days gone by The important thing the truly amazing thing is that like Jason you came through all of it There

may be a scar or two to remind us of the past but the past is behind us Jason Crabb wants you to know that you came through it for a reason There is something God is yet going to do with you The important things to remember is that you can go through the fire with God s help
