C. Madden, 2001 In response to escalating signing bonuses and in an attempt to bring parity to the major leagues Commissioner Ford Frick used a gavel to open the proceedings of the inaugural First Year Player Draft in 1965 This reference book looks back at the first 35 years of the draft and includes data on every player selected through 1999 who made the majors The author analyzes each big league club's big name picks sleeper surprises best and worst draft crops and biggest busts and current bonus babies The analyses are supported by pertinent quotes from the players themselves and a look at the future of the draft is offered The book is richly illustrated with over 100 player photographs Banana Ball Jesse Cole, 2023-05-16 The Savannah Bananas have peeled back the game of baseball and made it fun again This is their story For his entire childhood Jesse Cole dreamed of pitching in the Majors Now he has a life in baseball that he could have only imagined he met the love of his life in the

industry they shaped Savannah Georgia's professional team into the league champion Savannah Bananas and now the Bananas have restyled baseball itself into something all their own Banana Ball Fast fun and outrageously entertaining Banana Ball brings fans right into the game The Bananas throw out a first banana rather than a ball Their first base coach dances to Thriller or Britney between innings Players run into the crowd to hand out roses And the rules themselves are bananas if a fan catches a foul ball it's an out and players might go to bat on stilts or wearing a banana costume And their fans absolutely love it But the reason this team is on the forefront of a movement is less about the play on the field and more about the atmosphere that the team culture creates For the first time in this book Jesse reveals the ideas and experiences that allowed him to reimagine America's oldest sport by creating a phenomenon that is helping fans fall in love with the game all over again This is a story that's bigger than baseball and bigger than the yellow tuxedo Jesse wears as the ringmaster of every game And to understand the movement you have to understand the story at its core In Jesse's telling it takes heart innovation and joy and a bit of tropical fruit to make something wholly original out of one of America's great traditions His story is part Moneyball part Field of Dreams part The Greatest Showman It is a personal story a creativity story and the story of a business scrapping for every success And it has several distinct love stories love stories like Jesse and his father Jesse and his wife the team and the sport of baseball the team and the fans This is Jesse calling his dad from the outfield after each Bananas game and putting unending creativity into a team with the ultimate goal of bringing the Bananas to the professional ballparks he himself never got to play in This is his story of baseball love leadership and going just a bit bananas for all
