**Lessons Learned at Ground Zero** Robert G. Gillio,2002-09-08 In the chaotic weeks after September 11 2001 Dr Robert Gillio found himself at Ground Zero where as a pulmonary physician he answered the call to assist in the medical assessment and care of the brave rescue workers who were putting their lives on the line there He came to know and be inspired by not only those workers but also the hundreds of volunteers who tirelessly supported the rescue efforts in myriad ways Lessons Learned at Ground Zero is Dr Gillio s story of those he calls heroes and angels In Part One he recounts their sacrifices and dedication and is humbled to witness the triumph of the human spirit over astonishing adversity In Part Two he utilizes his experiences at Ground Zero to

design a Call to Action which can be implemented by individuals schools communities and entire states He challenges each of us to be heroes and angels and to take charge of our own health and well being He offers practical tips to Prepare Prevent and Respond to ordinary and extraordinary events Finally he shares his vision for a Freedom Generation wherein personal responsibility technology and well formed agency coalitions merge to create a smarter safer healthier America for all of us

**Project-Based Second and Foreign Language Education** Gulbahar H. Beckett,Paul Chamness Iida,2006-09-01 Dewey's idea of Project based Learning PBL was introduced into the field of second language education nearly two decades ago as a way to reflect the principles of student centered teaching Hedge 1993 Since then PBL has also become a popular language and literacy activity at various levels and in various contexts see Beckett 1999 Fried Booth 2002 Levis Kobayashi 2003 Luongo Orlando 2001 Mohan Weinstein 2004 For example it has been applied to teach various ESL and EFL skills around the world e g Fried Booth 2002 More recently PBL has been heralded as the most appropriate approach to teaching content based second language education Bunch et al 2001 Stoller 1997 English for specific purposes Fried Booth 2002 community based language socialization Weinstien 2004 and critical and higher order thinking as well as problem solving skills urged by the National Research Council 1999 Despite this emphasis there is a severe shortage of empirical research on PBL and research based frameworks and models based on sound theoretical guidance in general and second and foreign language education in particular Thomas 2000 Also missing from the second and foreign language education literature is systematic discussion of PBL work that brings together representative work identifying obvious gaps and guiding the field toward future directions This first of its kind volume bridges these obvious gaps through the original work of international scholars from Canada Israel Japan Singapore and the US

Critical Race Media Literacy Jayne Cubbage, 2022-07-21 This volume offers deeper exploration and advancement of critical race media literacy a concept which fuses the genres of media literacy and critical media literacy with critical race theory to bring a new and salient frame to the discussion of media literacy across all levels of education in today s globalized race based and media saturated climate Bridging the gap in research that has not addressed the ways in which media is a conduit of racial dialogue and ideology the book brings together a diverse group of scholars that explore their perspectives on critical race media literacy as it is experienced from the interface and consumption of a variety of media texts and social phenomena Topics addressed include news literacy children s literature Black political movements media protests and ethnic rock Critical Race Media Literacy addresses these topics within existing media literacy contexts to enhance media literacy scholarship and educational pedagogy This book will provide a timely and important resource not only for scholars and students of media literacy and media education but also for educators working in diverse learning settings

*Race Lessons* Prentice T. Chandler, Todd S. Hawley, 2017-05-01 We hold that the mission of social studies is not attainable without attention to the ways in which race and racism play out in society past present and future In a follow up to the book *Doing Race in Social Studies* 2015 this new volume addresses practical considerations of teaching about race within the context of history geography government economics and the behavioral sciences *Race Lessons Using Inquiry to Teach About Race in Social Studies* addresses the space between the theoretical and the practical and provides teachers and teacher educators with concrete lesson ideas for how to engage learners with social studies content and race Oftentimes social studies teachers do not teach about race because of several factors teacher fear personal notions of colorblindness and attachment to multicultural narratives that stress assimilation This volume will begin to help teachers and teacher educators

start the conversation around realistic and practical race pedagogy The chapters included in this volume are written by prominent social studies scholars and classroom teachers This work is unique in that it represents an attempt to use Critical Race Theory and inquiry pedagogy Inquiry Design Model to teach about race in the social science disciplines *Leadership Education and Training (LET) 2* ,2001 [Color in the Classroom](#) Zoe Burkholder,2011-10-05 Color in the Classroom is the first historical analysis of how schools and teachers powerfully influenced the social construction of race in America in the half century before the Brown decision **Resources in Vocational Education** ,1979 **Critical Cultural Awareness** Yumiko Furumura,Maria Lebedko,Yau Tsai,2014-09-26 In a rapidly globalizing world one of the most challenging barriers to be overcome is the stereotype This book aims to promote understanding of the nature of stereotypes and to suggest ways in which teachers can manage them by developing critical cultural awareness as an intrinsic part of the intercultural communicative competence of their students Part 1 of the book explores ways of defining eliciting and illustrating stereotypes from theoretical standpoints Part 2 showcases ways of addressing stereotypes through intercultural language education to provide teachers with a firm platform for the practical application of their knowledge and skills when attempting to manage stereotypes in the classroom **The Care of the Self and the Care of the Other** Daniel Louis Wyche,2025-05-20 What is the relationship between the ethical transformation of the self and the political transformation of the world This book explores the ways several twentieth century thinkers can help us relate the care of the self to the care of the other tracing their accounts of how and why practices intended to change an individual can help spur social and political change just as collective political action can produce a transformation of the self Daniel Louis Wyche examines the political implications of what he calls practices of ethical self change These include Pierre Hadot's notion of spiritual exercises what the French sociologist of labor Georges Friedmann calls the interior effort Michel Foucault's ethics of the care of the self what Martin Luther King Jr refers to as the work of self purification integral to direct action and Audre Lorde's claim that caring for herself constitutes a form of political warfare Wyche argues that these concepts can collectively provide an understanding that effaces distinctions between the care of the self the other and the community in a way that avoids reducing the political to the ethical Ambitious and nuanced *The Care of the Self and the Care of the Other* offers a framework for unifying individual moral action and collective political life
