Kuby,Tara Gutshall Rucker,2016-04-15 This book provides an introduction to poststructural and posthumanist theories in order to imagine new possibilities for expanding literacy education The authors put to work these theories in the context of an elementary school classroom examining literacy based activities that occur as students participate with materials in a multimedia writers studio Focusing on literacy processes the book emphasizes the fluid and sometimes

unintentional ways multimodal artifacts come into being through intra actions with human and nonhuman materials Because these theories emphasize the unplanned nonlinear aspects of literacy the authors demonstrate an approach to literacy that works against the grain of standardization and rigid curricular models Go Be a Writer reveals that when educators appreciate the value of unscripted intra actions they allow for more authentic learning *Rubber Band Loom Crafts* Leisure Arts,2013 Rubber band jewelry is taking the world by storm Everybody wants the colorful bracelets necklaces and rings that are so much fun to create on looms with rows of plastic pins Whether it s called Rainbow Loom Wonder Loom FunLoom Cra Z Loom or other names the looms and their supplies create a shopping frenzy each time a new shipment arrives at stores Rubber Band Loom Crafts includes full instructions and charts for placing and looping the bands on the loom pins for eight bracelet patterns Single Triple Single Fishtail Diamond Double Rhombus Butterfly Blossoms Chain Mail and Zippy Chain Tips are given throughout for alternate color combinations and projects such as rings necklaces barrettes and headbands
