

Rainforest Similes and Metaphors

Choose from this selection of phrases to add to your descriptive writing about the rainforest.

Similes

as humid as a summer bath
as thick as wet fog
as colourful as a splattered rainbow
as damp as dew
as green as an emerald
as dark as a cavern
as dense as a ball of string
as crowded as a city street
as fragrant as a flower market
as noisy as a motorway

Metaphors

The walls of leaves were impenetrable.
A snake rested on a nest of vines.
The smell of flowers was a warm embrace.
Fireflies danced through the night.
The trickle of water was a whisper.
The sea of green spread out below.
Monkey calls floated down through the branches.
The forest floor was a carpet of earth and roots.
The sounds of rain was never ending.
The canopy was a ceiling of moving art.

Sustainable Poetry Leonard M. Scigaj,2014-07-11 Focusing on the work of A R Ammons Wendell Berry W S Merwin and Gary Snyder author Leonard Scigaj shows that just as a sustainable society does not depreciate its resource base so a sustainable poetry does not restrict interest to language Over the past thirty years many poets have shown an increasing sensitivity to ecological thinking But critics trained in poststructuralist language theory often fail to explore the substance of ecopoetry Scigaj is the first to define ecopoetry as separate and distinct from nature or environmental poetry marked by its concern with balancing the interests of human beings with the needs of nature Just as science learned that the earth was not the center of the universe ecopoetry insists on the recognition that humans are not at the center of the natural world
