

Dogs make better pets than cats

I strongly believe that dogs make better pets than cats. Dogs are often called "man's best friend" and there are a few reasons why dogs make great pets.

Firstly, dogs are very loyal to their owners. They always greet us when we come home and they never leave you when you are in danger.

Secondly, dogs are very strong animals and they will protect us. Houses with dogs are much safer because if robbers try to break in, dogs will keep barking and people will hear that.

Lastly, dogs can be trained to help people. Dogs can do many things that people can not. For example, they can help elder people and disabled people.

To sum up, dogs are much more useful and friendly pets than cats and we will really appreciate them. Therefore, we must have dogs as our pets rather than cats.
