How would new untrained Christians kindly and humbly introduce God to their non Christian friends What if neither the Christian nor the non Christian could learn from printed materials such as pamphlets books or the Bible itself What if the new Christian was usually alone and untrained in a community hostile to Christian beliefs How could these new Christians continue the process of reproducing spiritual generations without first being fully taught themselves The strategy offered here is to tell biblical stories that can be easily retold Stories that revealed God s acts and perspectives leading to questions and discussion Stories that caused new listeners to question their own beliefs You re holding a collection of ninety stories designed to be retold by anyone thirty Old Testament stories chronologically arranged from creation to the return from Israel s exile thirty Gospel stories from the announcement of Jesus birth to his ascension to heaven and thirty stories from the New Testament from Pentecost to Jesus return from heaven to earth Each lesson is built upon the principles from Roche s first book **Biblical Storytelling Design Understanding Why Oral Stories Work** but modeled and explained in this book **Our Father, Our Teacher** Christopher J. Reeves, 2022-09-16 From the beginning God created men and women in his own image as the objects of his love His intention has been to father mankind raising us as his children While the intimacy of this relationship was broken through the fall our Father has never stopped loving us His faithful lovingkindness is unchanged And through Jesus we not only see the intimate relationship of Father and Son as the divine pattern but we find ourselves restored as children in his household Through Jesus we can experientially live in relationship with our Father and through the working of the Holy Spirit within affectionately call him our Abba The greatest opportunity is now afforded to us to walk in loving intimacy with our Father as he raises us teaches us his ways and matures within us his divine nature of other centered love Our Father Our Teacher is a biblical exploration of how God is drawing men and women to himself in an experiential relationship of love and learning **The Illustrated Bible Story by Story** DK, 2012-02-20 The greatest story ever told is explored and explained in unprecedented detail inside this spectacular illustrated family Bible This indispensable best selling Bible incorporates the history of the book the Old Testament the New Testament and a special section on Biblical people and places The stories are retold by experts from all denominations resulting in an absorbing volume designed to educate and entertain readers young and old Key figures are also introduced from Adam and Abraham to Peter and Paul while important sites such as Jericho Jerusalem and Mount Sinai are depicted alongside photographs and specially commissioned maps to truly set the scene All the most important episodes are brought to life with beautiful illustrations works of art historical artifacts and pull out quotations The Illustrated Bible takes an innovative and inspiring visual approach to this classic book resulting in the only reference you ll ever need for the whole family **The Gospel history in the**
