## Preliminary Notes and Legal Information

44. These data suggest a more effective strategy to reduce risk than message 1, but are inconclusive. If the effect of the "And Cautious" text, the video content, and the combination of the two are all effective, then the combination of the two strategies is likely to be more effective than either one alone. However, if the combination of the two strategies is not effective, then the video content may be more effective than the text alone. The results of the analysis are inconclusive.
