

PPE EXAM MARKING

PRE MEETING- HOD

Collect resources: exam board mark schemes, moderator reports and exemplar scripts.

Ideally use scripts which are close to the grade boundaries which can be used as check-in points for staff to measure their marking against.

Individually Mark Scripts

Teachers mark the sample scripts either before the meeting or during the meeting (depending on the needs of the subject)

Be aware of staff workload and give staff plenty of notice.

ESTABLISH CLEAR MARKING CRITERIA WITH TEAM

- Use Mark Schemes which outline the expectations for each grade or level.
- Align with Curriculum Objectives. Ensure that all assessment criteria match curriculum standards.

During the meeting

HOD or Exam Moderator lead discussion in comparing marks and discuss discrepancies. Agree on a standard approach to applying the mark scheme.

Staff leave with exemplars and marking criteria to apply to their class.

MARKING

Moderation Meeting

When more there is more than one marker the a moderation meeting will check for consistency.

Randomly select sample of papers across both teachers at a similar mark point to make comparisons. This should be done openly with all markers involved as a CPD opportunity and should be a positive experience.

RESPONSIVE TEACHING

Team to discuss:
What are the trends?
What is the best way to re teach this?

- Discuss strategies for providing effective feedback to students based on common trends.
- Potential outcomes of discussion:
- Plan plan a pause lesson to reteach misconceptions
 - Plan Revision lessons or interventions which lead up to exams.
 - Create Personalised Learning plans
