Practical Assessment Task Grade 12 2014 Tourism:

Advances in Web-Based Learning -- ICWL 2014 Elvira Popescu, Rynson W. H. Lau, Kai Pata, Howard Leung, Mart Laanpere, 2014-07-31 This book constitutes the refereed proceedings of the 13th International Conference on Web Based Learning ICWL 2014 held in Tallinn Estonia in August 2014 The 18 revised full papers presented together with 9 short papers were carefully reviewed and selected from about 78 submissions The papers are organized in topical sections on computer supported collaborative learning Web 2.0 and social learning environments personal learning environments game based learning learner modeling and learning analytics personalized and adaptive learning design model and implementation of e learning platforms and tools and pedagogical issues practice and experience sharing *Alternatives in Assessment of Achievements, Learning Processes and Prior Knowledge* Menucha Birenbaum, F. Dochy, 2012-12-06 Achievement assessment has undergone a major shift from what some call a culture of testing to a culture of assessment Nowadays a strong emphasis is placed on the integration of assessment and instruction on assessing processes rather than just products and on evaluating individual progress relative to each student's starting point This book addresses assessment issues in light of the present state of affairs The first part discusses new alternatives in the assessment of achievement in various subject areas focusing on agenda practice impact and evaluation of the assessment The second part deals with issues related to assessment of the learning process specifically questions concerning the assessment of individual differences in prior knowledge learning skills and strategies *An International Handbook of Tourism Education* David Airey, John Tribe, 2006-08-11 As tourism matures as an academic subject and the number of tourism higher education providers continues to expand world wide there is an increasing interest in its educational aspects At the same time the development of research into education issues related to tourism means that there is now a developing literature on the subject This international handbook offers a timely evaluation of the state of the art of tourism higher education The book brings together expert contributors from around the world to present current thinking and practice about what is now a major element of education provision world wide It is structured round four key themes Curriculum International perspective Teaching learning and assessment Resources progression and quality Its global survey of tourism education offers a comprehensive basis for comparative review In addition to setting out the development and current provision of tourism education it also addresses cutting edge issues such as PhD education non formal education cultural issues in learning research and teaching e learning and e assessment It offers practical advice for the design delivery evaluation and resourcing of courses and concludes with a reflective agenda of issues for the future
