**Book 5: Learn @ Home Coaching Rugby Union Project** Bert Holcroft, 2014-01-21 The Holcroft saga, a rugby story the like of which may never have been equalled in the history of the game. It begins over a century ago when Mr George Holcroft was given charge of Leigh St Peter's R.L.F.C. in 1889. He married and when his family grew up Jack, Harry, William and Tom all played for local teams. They married and George's grandsons Bert and Bill also played. Bert Holcroft has been a distinguished servant for the game of Rugby all his life. He holds coaching certificates from BOTH the Australian and British governing bodies, one of only a handful of men to achieve such an honour in the game's history. For 20 odd years Bert Holcroft has had one of the unlikeliest jobs in sport, teaching Australian Rugby Coaches how to coach. Considering the Australian dominance of World Rugby in recent years, that might seem a paradox with taking coal to Newcastle. But make no mistake, Bert Holcroft has done as much as anyone to ensure Australia's re-emergence as a major Rugby power. On the face of it, Australia wouldn't seem to need any outside help, let alone from a Pom. Their record of only one Test defeat since 1978 speaks for itself. But Bert's reputation is nation-wide, down under, quite simply, he's one of the best in the business. Bert who played for Leigh between 1950-60 has spent much of his latter years down under lecturing to top grade coaches in New South Wales. Born and bred in Cameron Street Leigh, Bert has few peers when it comes to teaching the basics of the 13-a-side game. Since emigrating in the late 60s, Bert has dedicated his life to coaching and fitness techniques. Teams in Queensland, New South Wales and Sydney have all come under his influence, often with spectacular results. Bert's credentials are impeccable. Last summer he achieved the highest accolade in Australia, his Grade Three certificate, personally signed by the then Australian league chairman Kevin Humphreys and the Director of Coaching Peter Corcoran. Three years earlier Bert has sailed through his Grade One and Two with flying colours. In 1953 he was awarded his senior coaching certificate in England. Bert, who held a number of posts at Hilton Park before emigrating to Australia, has spent a lot of his time heavily involved with Rugby in the universities there. He became director of coaching for the University of New South Wales and later coach

of the Combined Universities side Coaching Accreditation awarded by the Australian Institute of Sport Department of Sport and Recreation NSW and the NSW Rugby League for administration as well as being awarded National Coaching Certificates in both Britain and Australia one of only a handful of people to do so Eventually the offer of a job in Sydney came to coach Premiership glamorous club Eastern Suburbs **RLCM Drills** ,200? Rugby League in Twentieth Century Britain Tony Collins,2006-09-27 Called the greatest game of all by its supporters but often overlooked by the cultural mainstream no sport is more identified with England's northern working class than rugby league This book traces the story of the sport from the Northern Union of the 1900s to the formation of the Super League in the 1990s through war depression boom and deindustrialisation into a new economic and social age Using a range of previously unexplored archival sources this extremely readable and deeply researched book considers the impact of two world wars the significance of the game's expansion to Australasia and the momentous decision to take rugby league to Wembley It investigates the history of rugby union's long running war against league and the sport's troubled relationship with the national media Most importantly this book sheds new light on issues of social class and working class masculinity regional identity and the profound impact of the decline of Britain's traditional industries For all those interested in the history of sport and working class culture this is essential reading At the George Geoffrey Moorhouse,2013-09-19 At the George Geoffrey Moorhouse's testament to a lifelong love of rugby league was shortlisted for the inaugural William Hill Sports Book of the Year award in 1989 The very soul of rugby league a sport that has been called the toughest in the world lives within the pages of At the George From first acquaintance some seasons ago I believed it to be the finest book ever penned on the thirteen a side game Today the book remains as fresh as ever and as firmly placed on its pedestal It is a seminal work a precious treasure of the game The book is from the heart written by a man of intellect who was bowled over by what he saw one May afternoon at Maine Road Manchester back in 1946 and who never lost his affection for the game Ian Head from his new Preface to this edition

*Motor Learning in Practice* Ian Renshaw,Keith Davids,Geert J.P. Savelsbergh,2010-04-05 Explores the fundamental processes of motor learning and skill acquisition in sport This book examines the interaction of personal environmental and task specific constraints in the development of motor skills and demonstrates how an understanding of those constraints can be applied in a wide range of specific sports and physical activities
