Sloppy Seconds English Edition:

Sloppy Seconds Tucker Max, 2012-02-07 Tucker Max's books *I Hope They Serve Beer In Hell*, *Assholes Finish First* and *Hilarity Ensues* are a uniquely engaging trilogy composed of his best craziest stories. They've sold millions of copies to fans all over the world. Their success has meant his success. As a thank you to those who have loved the stories and supported him for so long, Tucker has gone back through his massive archive of material one last time, culled out what you might call the best of the rest, and arranged it here in *Sloppy Seconds*, like a book version of Deleted Scenes. Unlike most deleted scenes, however, these don't suck. So enjoy. **Sloppy Seconds** Bob Benson, 2013-06-21 A teen sex story without the teens or the gratuitous pool scene. A coming of age story now worrying about the expiration date more than the legal age. A once in a lifetime chance to make a second impression on your first loves. A Professor at a community college, a failed writer, a love refugee, 53 year old Dr Tom Dawson gets a second chance at the dream. Would it even matter? This time even the cops would be called. Things and people change. It could be a sex comedy with a few shades of gray. It could just be a wild interlude preceding a boring retirement.

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60 000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean, emphasis on post World War II slang and unconventional English, published sources given for each entry, often including an early or significant example of the term's use in print, hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords, dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years. Over 1 000 new entries from the US, UK and Australia. New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language. [The Routledge Dictionary of Modern American Slang and Unconventional English](#) Tom Dalzell, 2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang.
