**Age Past: The Incian Sphere** Jeff Mechliniski, 2013-10-01 Age Past is a fantasy RPG that incorporates a novel character creation and dice rolling mechanic. Age Past: The Incian Sphere was written to provide you a completely customized gaming experience. Characters are built using an archetype system that is only limited by your imagination. Cast from over 150 spells without restriction and select from over 140 powers. Most powers can be taken 4 times as your character levels so no two characters will ever be the same. The system encourages player balance so your character will be successful regarding her purpose and all characters will be equally important. The game's world is unique and open enough for a GM to tailor his own adventure yet has guidelines to keep expectations in check. Age Past also has many optional rules that allow you to further customize your gaming experience. Choose to use pulp gaming rules or high lethality or both. Build your perfect hero and conquer the world. Incia awaits.

*Entangling Vines*, 2013-03-18 *Entangling Vines* is a translation of the Shumon Kattoshu the only major koan text to have been compiled in Japan rather than China. Most of the central koans of the contemporary Rinzai koan curriculum are contained in this work. Indeed Kajitani Sonin 1914-1995 former chief abbot of Shokoku-ji and author of an annotated modern Japanese translation of the Kattoshu commented that herein are compiled the basic Dharma materials of the koan system. A distinctive feature of *Entangling Vines* is that unlike the *Gateless Gate* and *Blue Cliff Record* it presents the koans bare with no introductions commentaries or verses. The straightforward structure of its presentation lends the koans added force and immediacy emphasizing the Great Matter the essential point to be interrogated while providing ample material for the rigors of examining and refining Zen experience. Containing 272 cases and extensive annotation the collection is not only indispensable for serious koan training but also forms an excellent introduction to Buddhist philosophy.
