Using Physical Activity and Sport to Teach Personal and Social Responsibility Doris L. Watson, Brian D. Clocksin, 2012-12-27 Using Physical Activity and Sport to Teach Personal and Social Responsibility shows

you how to implement a character education program in your school or community organization Authors Watson and Clocksin offer an ideal companion text to Don Hellison s classic Teaching Personal and Social Responsibility Through Physical Activity In this text Watson and Clocksin provide the practical tools for applying Hellison s Teaching Personal and Social Responsibility TPSR model to sport and fitness activities You ll find samples of units lessons and assessments incorporating the TPSR model in teaching basketball golf soccer volleyball team handball tennis yoga fitness and adventure education An excellent text for the novice teacher Using Physical Activity and Sport to Teach Personal and Social Responsibility also offers information and techniques on facilitating youth development in a variety of movement settings and with diverse populations This text begins with an introduction to the TPSR model that prepares you for practical applications to follow Part I of the text presents the history and evolution of the TPSR model It also discusses how TPSR meets current National Association for Sport and Physical Education NASPE standards for physical education instruction Next you ll find an examination of current research on motivating students in a physical activity context creating positive learning climates and facilitating student centered learning Part I concludes with a look at current literature demonstrating the effect of the TPSR model in the sport and physical activity setting Part II centers on methods for teaching life skills and values through nine sports and physical activities Each of the nine chapters is organized using the TPSR lesson plan format awareness talk lesson focus group meeting and reflection in connection to each developmental stage 1 2 and 3 It includes a summary and recommendations for additional readings For each sport or physical activity you ll find suggested activities for teaching sport skills and TPSR skills in tandem examples of guided questions and information on skill assessments Each chapter includes easy to reference tables examining possible instructional strategies to use such as command reciprocal inclusion and self check teaching considerations for each strategy and how each strategy can guide your students in accomplishing TPSR goals at their developmental level Part III of this resource includes a chapter featuring profiles of teachers and youth workers who are using the TPSR model effectively The book concludes with a look at how teaching personal and social responsibility through sport can support the creation of young leaders in school and community settings Using Physical Activity and Sport to Teach Personal and Social Responsibility offers undergraduates teachers and youth workers a bridge to connect Hellison s TPSR model to their own practices More than a text on physical education or sport instruction this book can help you turn sport and physical activity into opportunities to create deeper more positive connections with students and nurture their personal and social growth

The Music and Literacy Connection Dee Hansen, Elaine Bernstorff, Gayle M. Stuber, 2014-09-24

The second edition of The Music and Literacy Connection expands our understanding of the links between reading and music by examining those skills and learning processes that are directly parallel for music learning and language arts literacy in the pre K elementary and secondary levels This edition includes two new chapters one dedicated to secondary music education and teacher evaluation and another that offers a literature review of latest literacy research in education

neuroscience and neuropsychology Readers will find extensive instructional examples for music and reading teachers so that they may enrich and support each other in alignment with current initiatives for twenty first century curricula Instructional examples are aligned with The National Core Music Standards and the Common Core State Standards for English Language Arts and Media Arts Readers will find an in depth review of the benefits of music learning in the listening viewing speaking and writing literacy as well as comprehensive information for children with special needs The Music and Literacy Connection is a valuable resource for professional development college literacy courses and curriculum administrators

Building Shared Responsibility for Student Learning Anne Conzemius, Jan O'Neill, 2001 Who is responsible for student learning Walk into an effective school and ask this question of anyone a teacher a student the principal a parent volunteer a secretary and you ll get the same answer I am Shared responsibility is something school communities build from within It s what happens when all school people accept that what they do makes a difference in how all students learn when they have the knowledge they need to make informed decisions about the best way to promote learning and when they have the skills and opportunities to translate their ideas into effective action Anne Conzemius and Jan O'Neill present a practical framework for building shared responsibility within schools and school systems They identify three critical components Focus The common vision mission values and expectations that provide clarity and lead to new levels of performance Reflection The commitment to test assumptions learn from data and adjust practices accordingly Collaboration The process of developing relationships where all work toward the same objectives and rely on each other to achieve their goals Building shared responsibility for student learning is an ongoing activity a journey and not a destination This research based resource provides a map in the form of effective structures systems processes and policies It explains how to set powerful goals and shares inspiring stories of educators who have embarked on this journey toward higher professional competency increased staff satisfaction rising test scores and improved student results

The Handbook for SMART School Teams Anne E. Conzemius, Jan O'Neill, 2013-12-18 Prepare your students for the future while juggling the expectations of multiple stakeholders A fresh take on the classic first edition this guide defines and advocates SMART goals goals that are Strategic and specific Measurable Attainable Results oriented and Time bound Gain a schoolwide understanding of how to cultivate a productive collaborative culture and engage every member of your team in the process
