Lemon-Aid New Cars and Trucks 2013 Phil Edmonston, 2012-12-01 Canada s automotive Dr

Phil says there's never been a better time to buy a new car or truck. For deals on wheels 2013 will be a perfect storm. There's never been a better time to buy a new car or truck thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013 car buyers will see more generous cash rebates, low financing rates, bargain leases, and free auto maintenance programs. Buy, sell, or hold. Which cars and trucks are wallet friendly and can easily last 15 years? Which vehicles offer the most features to best accommodate senior drivers? Do ethanol and hybrid fuel saving claims have more in common with Harry Potter than the Society of Automotive Engineers? Is GM's 2013 Volt electric car destined to become an electric Edsel? These questions and more are answered in this informative guide.

Smart Strategies for Buying a Car

Daniel E. Harmon, 2014-07-15. Most young drivers have one goal in mind when they think of getting their own vehicle: freedom. Car ownership is one of life's joys, as well as one of its major financial investments. This candid volume offers readers a step-by-step approach for how to choose the best car to suit their needs and how best to plan research and budget for the purchase. In today's economically challenging times, students require an opportunity to learn about money management as well as car facts, the choices available, and the importance of safety. Content supports state and national standards on financial literacy.

Smart Thinking Tony Lewin, 2004. The story of smart is an epic tale of genius, inspiration, hope, disappointment, disaster, and ultimate triumph. Funky, stylish, and fun, smart is the youngest and most exciting brand of car on the market, and it has revolutionised the way we think about cars and the way we use them. It has put much needed fun back into driving, and even city motorists smile when they're at the wheel of a smart. But it nearly didn't happen at all. The revolutionary design was the product of the genius who invented the Swatch watch, saving the near bankrupt Swiss watch industry in the process. But these visionary ideas proved too radical, and the tiny two-seater almost died at birth when a succession of backers lost their nerve. The sensational story of smart traces the decade-long history of this ambitious project, talking to key figures from every stage of the programme and building a vivid picture of an idea ahead of its time.

Lemon-Aid New and Used Cars and Trucks 1990-2016 Phil Edmonston, 2015-11-21. This book steers buyers through the confusion and anxiety of new and used vehicle purchases, unlike any other car and truck book on the market. Dr. Phil Canada's best known automotive expert for more than forty-five years pulls no punches.

Lemon-Aid Used Cars and Trucks 2012-2013 Phil Edmonston, 2012-05-19. Lemon Aid guides steer the confused and anxious buyer through the economic meltdown, unlike any other car and truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all new Lemon Aid Used Cars and Trucks 2012-2013 has the answers.

including More vehicles rated with some redesigned models that don't perform as well as previous iterations downrated More roof crash worthiness ratings along with an expanded cross border shopping guide A revised summary of safety and performance related defects that are likely to affect rated models More helpful websites listed in the appendix as well as an updated list of the best and worst beaters on the market More secret warranties taken from automaker internal service bulletins and memos than ever
