**Special Education Design and Development Tools for**

**School Rehabilitation Professionals** Singh, Ajay, Viner, Mark, Yeh, Chia Jung, 2019-12-13 Educators who work with students with disabilities have the unique challenge of providing comprehensive and quality educational experiences for students who have a wide range of abilities and levels of focus. Pedagogies and educational strategies can be applied across a student population though they tend to have varied success. Developing adaptive teaching methods that provide quality experiences for students with varied disabilities are necessary to promote success for as many of these students as possible. *Special Education Design and Development Tools for School Rehabilitation Professionals* is a comprehensive research publication that examines special education practices and provides in-depth evaluations of pedagogical practices for improved educational experiences for students with disabilities. Highlighting a range of topics such as bilingual education, psychometrics, and physical education, this book is ideal for special education teachers, instructors, rehabilitation professionals, academicians, school administrators, instructional designers, curriculum developers, principals, educational software developers, researchers, and students.

**The Practical Guide to High-Leverage Practices in Special Education** Ruby L. Owiny, Kyena Cornelius, 2024-06-01 Designed for teacher preparation programs as well as teacher professional development. *The Practical Guide to High Leverage Practices in Special Education: The Purposeful How to Enhance Classroom Rigor* is the first book of its kind to introduce multiple HLPs working in tandem to implement evidence-based practices (EBPs). *The Practical Guide to High Leverage Practices in Special Education* is a powerful tool for those dedicated to improving student outcomes. Planned with the practitioner in mind, the text's main objective is for teachers to recognize EBPs as what they teach and HLPs as how they teach. The book is written with a focus on inclusive education, making it a valuable resource for both general and special educators. What's included in *The Practical Guide to High Leverage Practices in Special Education*: A focus on one HLP per chapter and descriptions of connected HLPs and how to use them for implementing featured EBPs. Classroom scenarios for both elementary and secondary classrooms. Tables of the crosswalks of connected HLPs and EBPs with resources for further learning. *The Practical Guide to High Leverage Practices in Special Education: The Purposeful How to Enhance Classroom Rigor* provides educators with the understanding of how HLPs and EBPs connect to effectively implement them for student success and is also an effective teaching and learning tool for teacher education preparation programs.

**Disability, Intersectionality, and Belonging in Special Education** Elizabeth A. Harkins Monaco,L. Lynn Stansberry Brusnahan,Marcus C. Fuller,Martin O. Odima Jr.,2024-02-23 Disability Intersectionality and Belonging in Special Education focuses on preparing educators who use socioculturally sustaining practices curricula and instruction through an intersectional lens This book empowers preservice students and special education practitioners and administrators to meet the needs of disabled individuals Understanding the full range of requirements relating to socioculturally sustaining practices is imperative to working with individuals with disabilities as well as with their families and caregivers Being able to understand and explain this complex issue to others is important and often necessary Social injustices in special education are historical and systemic Special education practitioners are typically unaware of the importance of intersectional differences because they have been prepared to address cultural perspectives only during awareness days or through specific units in curricula At other times they discuss the topic diagnostically for example as part of an educational plan or when teaching English as a second language Other issues stem from the value system of the special education practitioners themselves some are not willing to engage in these concepts while others prioritize treating all students the same by using

the terms fairness equity and colorblindness to justify this treatment Even when special educator practitioners attempt to address injustices on behalf of their students they tend to center on only the student s disability which means they are ignoring or erasing other aspects of their students identities These concerns highlight the importance of building the sociocultural competence of our teaching force This book will help practitioners build this competence in their own spheres of influence
