Whiteboard Blog Danny Nicholson, 2011-02-15 The Whiteboard Blog was set up in December 2007 as a way of sharing ideas to support teachers using their interactive whiteboards in the classroom. As well as interactive whiteboards it also covers other educational technologies that would be of interest to teachers such as digital storytelling and other web 2.0 tools. This book contains the best articles from over three years of the blog and is packed with ideas to make the most of your interactive whiteboard in the classroom.

Student Assessment Debra J. Dirksen, 2013-11-01 When playing video games players are able to press the reset button when something goes wrong and realize they are missing an essential skill needed to win the game. In education we can use formative assessment as a means for the student to press the virtual reset button. Educators can ensure that students gain the skills needed to be successful learners in their classroom. In this book the author provides strategies and techniques such as the use of graphic organizers quick writes and journaling to be used as formative assessments. Specific information about each tool and recommendations for data analysis and implementation are provided helping teachers to implement formative assessment effectively and efficiently and allow their students to preset the reset button and master the skills they need to be successful in the classroom.

Cybrarian Extraordinaire Felicia A. Smith, 2011-02-04 Enhance your library instruction class by using this hands on guide and learn numerous unique active learning exercises.
