Fruitful Theology Ronni Kurtz,2022-08-30 Why do the theologians rage Even a cursory scrolling of social media may lead you to the conclusion that you have to be angry to do theology Sadly our day is characterized by theological fighting complete with harsh words exaggeration biting sarcasm and the spirit of tearing down our brothers and sisters in Christ But it does not have to be this way In fact it should not be this way In Fruitful Theology Ronni Kurtz swims upstream to counter this prevailing problem Instead of theology leading to anger division and discord this

book shows that the life of the mind can actually lead to the fruit of the Spirit Fruitful Theology is for anyone who Wants to grow in an understanding of Scripture but is afraid that knowledge will make them arrogant Is confused about the relationship between doctrine and Christian living Is concerned that theological conviction promotes disunity and discord among Christians Desires to grow in Christian maturity but isn't sure how theology fits into that desire What if our speech and conduct were seasoned more with love joy peace patience kindness goodness faithfulness gentleness and self control How might the church's unity be restored and our witness be maximized if we were characterized by the fruit of the Spirit instead of the spirit of our age Theology may not be the most obvious candidate in helping reorient our life towards the fruit of the Spirit but a right contemplation of God can indeed lead to right living for God and that is exactly what this book hopes to explore
