Managing the New Tools in K-12 Teaching and Learning Jerome A. Schulz, 2018-02-02 Managing the New Tools in K 12 Teaching and Learning How Technology Can Enable School Improvement is about how to manage technology for learning at the district and school levels It provides an overview of the components of learning technology these include student devices networking software productivity toolkits electronic curricula and resources and data system infrastructure And it discusses how we can manage our technology efforts more effectively to help our students attain the benefits of this technology The book concludes with case studies of how this is being done at pioneering districts We are now at a tipping point in implementing learning technology on a larger scale This is happening very quickly Historically learning technology was driven by a strategy of technology integration where we called on individual teachers to each determine how to use technology in their classes and make changes in their own ways of working But to successfully implement technology on the scale we need requires top down as well as bottom up efforts Managing the New Tools in K 12 Teaching and Learning focuses on how districts and schools can now use technology to bring about the big improvements in learning we are all striving for

Everyday Surveillance William G. Staples, 2013-10-18 When we think of surveillance in our society we usually imagine Big Brother scenarios with the government tracking our every move The actual surveillance of our everyday lives is much more subtle however and may be more insidious William G Staples shows how our lives are tracked by both public and private organizations sometimes with our consent and sometimes without through our internet use cell phones public video cameras credit cards license plates shopping habits and more Everyday Surveillance is a provocative exploration of the myriad ways we are watched each day and how this surveillance shapes our lives Thoroughly revised the second edition considers new topics such as the rise of social media and updates research throughout Everyday Surveillance introduces students to concepts of social control and incites classroom discussion about how surveillance impacts the ways we understand people and our lives at home work school or in the community

[NIAAA's Guide to Interscholastic Athletic Administration](#) National Interscholastic Athletic Administrators Association (NIAAA), 2013-07-01 NIAAA's Guide to Interscholastic Athletic Administration presents a wealth of information and insights from experienced athletic directors across the United States This comprehensive resource covers leadership operations financial and facilities management and other chief administrative responsibilities to help readers better understand the athletic director's multifaceted role NIAAA's Guide to Interscholastic Athletic Administration was developed under the direction of the National Interscholastic Athletic Administrators Association NIAAA the trusted authority for excellence in administration of high school sports This guidebook features the best practices

in high school athletic administration to assist both aspiring and practicing athletic directors in meeting the demands of the job. General guidelines and background knowledge are complemented by specific strategies and techniques. Each chapter offers examples of how to solve common problems and sidebars highlight creative solutions employed by exemplary high school athletic directors. This text features guidance and multidisciplinary information on handling some of the toughest parts of the job. A chapter on personnel management discusses mentoring and evaluation systems to assist with the growth and development of staff and a technology chapter offers specific recommendations of tools to help athletic directors operate more effectively and efficiently. A chapter on legal and safety concerns outlines concrete measures that administrators can take to prevent mishaps and protect their schools and staff from liability. Readers will also learn how to manage a budget and find creative alternatives to get the most out of available funds. Based on extensive research conducted by the editors, this text confronts several challenges facing contemporary high school sport administrators. Providing comprehensive professional preparation for athletic director candidates and continuing education for today's athletic directors. Aligning the goals of education-based athletic programs and the conduct of coaches, athletes, and parents engaged in the program to the educational mission of the school district, state, and national governing organizations. Ensuring ongoing education in vital areas including student citizenship, staff support, safety, risk management, and budget preparation. Making consistent efforts to provide equitable opportunities for participation and accommodate the abilities and interests of all student athletes. The position of interscholastic athletic administrator is rapidly becoming one of the most challenging positions in any school as these professionals are asked to do more with less. Given proper education, tools, and goals, NIAAA recognizes the pivotal role an athletic administrator can have in enriching the school culture and experiences of participating athletes, parents, and coaches. NIAAA's *Guide to Interscholastic Athletic Administration* provides fundamental knowledge guided by sound educational practices to enable athletic administrators to execute their daily duties with competence and confidence.

Using Apps for Learning Across the Curriculum Richard Beach, David O'Brien, 2014-10-17. How can apps be used to foster learning with literacy across the curriculum? This book offers both a theoretical framework for considering app affordances and practical ways to use apps to build students' disciplinary literacies and to foster a wide range of literacy practices. *Using Apps for Learning Across the Curriculum* presents a wide range of different apps and also assesses their value, features, methods for, and apps related to planning instruction and assessing student learning. It identifies favorite apps whose affordances are most likely to foster certain disciplinary literacies, includes resources and apps for professional development, provides examples of student learning in the classroom. A website www.usingipads.pbworks.com with resources for teaching and further reading for each chapter, a link to a blog for continuing conversations about topics in the book, appsforlearningliteracies.com, and more enhance the usefulness of the book. **Education Nation** Milton Chen, 2012-01-24.
