The Practice of Generalist Social Work Julie Birkenmaier, Marla Berg-Weger, 2017-05-29 Organizational Engagement Assessment and Planning in Generalist Practice EPAS 1 6 and 7

The Practice of Generalist Social Work Marla Berg-Weger, Julie Birkenmaier, 2017-01-12 The fourth edition of *The Practice of Generalist Social Work* continues to teach students to apply micro macro and mezzo social work skills This new edition strengthens the connection between the three levels of practice and is fully updated to the 2015 EPAS This edition also contains more illustrations of theory and more context for deciding which type of intervention is a good fit Most chapters now open with a case study and continually refer back to the case to provide additional connections between theory and real life practice Each chapter also incorporates a link to a Grand Challenge of Social Work from the American Academy of Social Work and Social Welfare which shows the connection between social work and the most significant societal challenges of today The Quick Guides within the text offer students guidance for their field experience and practice after graduation The text also comes with a rich companion website that includes support materials and six unique cases that encourage students to learn by doing Go to www.routledgesw.com to explore the cases and additional resources

Crime, Second Chances, and Human Services Fonkem Achankeng, Janet Hagen, 2019-04-03 This book promotes the notion of second chances and the importance of human services within the communities most affected by crime and the criminal justice system Recognition of the fallibility of humans and the necessity of redemption is the first step to change our attitude toward guilt and punishment Barring citizens with criminal records from obtaining housing employment education and public benefits like Medicaid and food stamps is not only unjust but unproductive for a human society The contributors to this volume argue that second chances are a foundational principle of the human services field

Evidence Informed Practice for Social Work Hugh McLaughlin, Barbra Teater, 2017-11-16 Hugh McLaughlin is Professor of Social Work and Head of Faculty Research Degrees at Manchester Metropolitan University UK He has written and edited a range of books on social work practice and research Barbra Teater taught on Social Work courses at the University of Bath and University of Bristol UK before assuming her current position as Professor of Social Work MSW Program Director at the College of Staten Island City University of New York USA She is the bestselling author of *An Introduction to Social Work Theories and Practice* 2nd edition 2014 and *Contemporary Social Work Practice* 2014 Providing a user friendly introduction to Social Work research this textbook will demystify the most important concepts and show why it is important to embrace evidence informed practice EIP In the face of complex and demanding work it is crucial not to focus solely on the concept of evidence based practice but to make use of all the evidence at your disposal and allow this evidence to inform your decisions This book champions the integration of service user and carer knowledge along with practitioners wisdom and the best research

evidence to make a difference for service users Containing helpful examples of how to apply EIP to practice encounters as well as a range of further reading and activities to help you to critically reflect on your experience this book explores how EIP can be used to enhance your effectiveness as a Social Work practitioner professional and social scientist Chapters in this textbook explore themes and skills you will need to consider and develop in your practice including Identifying assessing and critiquing difference types of evidence Understanding what constitutes research knowledge Ethical issues in practice and research Implementation of evidence informed practice and evaluating your practice Interprofessional practice and creating evidence informed cultures Written by experts in the field this text is essential reading for all Social Work students and qualified practitioners This book forms part of the Social Work Skills in Practice series The series focuses on key social work skills required for working with children and adult service users families and carers The books offer both theoretical and evidence informed knowledge alongside the application of skills relevant for day to day social work practice They are an invaluable resource for pre qualifying students newly qualified social workers academics teaching and researching in the field as well as social work practitioners including practice educators pursuing continuous professional development This book is an excellent introduction to the subject for social work students and social workers It sets out in a very accessible style the ways in which social workers can develop understanding of key features of and practical ways to make use of Evidence Informed Practice within a real appreciation of the social work role and its values I would advise all social work students and social workers to read it Professor Brian Littlechild PhD Research Lead Department of Nursing and Social Work University of Hertfordshire UK

An Introduction to Applying Social Work Theories and Methods 3e Barbra Teater, 2019-12-02 The text is a comprehensive guide to the most commonly used theories and methods in social work practice The introductory chapter covers the similarities and differences between a theory and a method as well as psychosocial theories and concepts Each subsequent chapter then explores in detail how to implement theories and methods their strengths and limitations alongside case examples critical thinking questions and suggested further resources Key features Illustrative case studies Exercises Case examples Critical thinking questions Further readings resources Revised content including the addition of genograms and ecomaps This is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements The book is an updated third edition to a successful and established series The clarity with which Teater describes complex concepts for social workers is refreshing This book will help promote understanding and best practice whilst being firmly grounded in key theories It is a must have for all social workers wherever they practise Dr Jonathan Parker Professor of Society Social Welfare Bournemouth University UK This latest edition of Theories and Methods is as solid as its predecessors academically with a clear and easy to follow structure that makes it accessible in a way many such books are not I have used previous editions in many situations settings and levels and endorse this latest as a must have for anyone involved with social work Explanation is clear

and the use of tables diagrams and cases bring the theory alive and enable users to realistically transfer theory to practice The use of exercise and questions provide a springboard to deeper learning as do the handy references and pointers to further reading at the end of each chapter Inclusion of sections such as the cultural and ethical considerations lend themselves to self analysis exploration and ultimately self development A dream of a book to work with as an academic tutor practice educator and trainer as well as student Michele Winter Independent Social Worker Teacher Trainer Social Care Training I can wholeheartedly recommend this revised and updated edition of Barbra Teater s highly successful book It remains essential reading for practitioners undergraduate and postgraduate students of social work The book provides a compelling and easily accessible analysis of key theories and methods It challenges both students and practitioners to consider and reconsider how they can apply theories and methods to practice more effectively Prof Hugh Mclaughlin Manchester Metropolitan University UK What a great book Barbra Teater and colleagues have managed to bring together a wealth of learning about different theories and methods of social work intervention in a clearly written and accessible format Each chapter is focused on the application of theory to practice and as such helps to act as a bridge from the classroom to direct work with individuals families and groups This new and updated edition is very likely to be one of those books that students have by their side throughout their studies and bring with them into professional practice after graduation Dr John Devaney Centenary Professor of Social Work University of Edinburgh UK

Critical Supervision for the Human Services Lou Johnston, Carolyn Noble, Mel Gray, 2016-04-21 Practitioners in the helping professions today operate in challenging settings where budgets have been cut dramatically and progression and success are too often defined primarily by key performance indicators and strategic outcomes Tensions arise when such pressures conflict with helping professionals core responsibilities to provide excellent care advocate for patients or service users and to seek social justice This book introduces a critical model for supervision which addresses not only the human relationships and interactions involved in work but also the financial political and managerial environment in which the work is carried out It identifies how reflective practice alone is not enough to bring about transformational change and outlines how practitioners can learn in and through supervision drawing on ideas from critical pedagogy and organisational learning Practice examples are included to demonstrate the use of this approach within contemporary human service environments Providing a new approach for effective supervision this book will be of interest to practitioners managers researchers academics and students working across the human services including health care social services and criminal justice
