**Corporations (14th Edition)** Robert Ricketts, P Larry Tunnell, 2023-08-14 Practical Guide to Partnerships and LLCs 10th Edition by Robert Ricketts and Larry Tunnell discusses the complex issues involving partnership taxation with utmost clarity. It uses hundreds of illustrative examples, practice observations, helpful charts, and insightful explanations to make even the most difficult concepts understandable. The book reflects the authors' penchant for communicating the pertinent facts in very direct language and creating a context for understanding the multifaceted issues and applying them to practice. This new edition fully reflects all the latest developments in this complex area. These include changes affecting partnership basis adjustments, transfers to partnerships of property with built-in losses, sale of an interest in a partnership with built-in loss, property disproportionate distributions from partnerships with built-in loss, property expensing and amortization of partnership organizational expenses, partnership treatment of the deduction for domestic production activities, recognition of cancellation of indebtedness income, and more. In six parts, Practical Guide to Partnerships and LLCs covers the critical aspects of this complicated area, with individual parts focusing on partnership characteristics, funding, taxation of operations, partner's share of partnership debt, disposition of partnership interest, and distributions. From choice of entity considerations to sales and liquidations, the entire breadth of partnership and LLC taxation is covered. Special attention is given throughout to the complex interworkings of rules that bind tax and control these entity operations. In the book's first part, focused on preliminary considerations, the basic underpinnings are presented, covering key areas such as the check-the-box rules, anti-abuse rules, investment joint venture rules, the application of partnership taxation to LLCs, liability issues, passive loss limitations, audit issues, self-employment taxes, IRS classification, tax year and accounting method selection, and much more. The second part of Practical Guide to Partnerships and LLCs looks at property contributions and disguised sales transactions between partner and partnership and formation and start-up expenses. A special summary table for the tax treatment of pre-opening expenses is included. Next, the central core of the book explains the taxation of operations, including partnership income rules, the pass-through concept, and the partner's share of income and debt. Specific rules, reporting, and compliance issues are thoroughly addressed. Form 1065 and schedules L, M-1, M-2, K, and K-1 are also explained. Part four covers partner's share of partnership debt, while disposition of a partnership interest is the subject of the fifth part of Practical Guide to Partnerships and LLCs. This section covers the amount and character of the seller's gain or loss, sales of partnership interest when the partnership holds ordinary income property, and the effect of sale of partnership interest on the partnership. The final part covers distributions, including nonliquidating, liquidating, special distribution exceptions, and disproportionate distributions. This section also includes coverage of the death or retirement of a general partner and special rules for service partnerships. The detailed and substantial coverage in the text is enhanced by the abundant illustrations and special aids to

understanding such as flowcharts offered throughout Practical Guide to Partnerships and LLCs will be a great resource all tax practitioners students and those interested in developing their knowledge of partnership and LLC taxation *Practical Guide to Partnerships, Llcs and S Corporations (12th Edition)* Robert Ricketts,P. Larry Tunnell,2021-08-16 Practical Guide to Partnerships and LLCs 12th Edition by Robert Ricketts and Larry Tunnell discusses the complex issues involving partnership taxation with utmost clarity It uses hundreds of illustrative examples practice observations helpful charts and insightful explanations to make even the most difficult concepts understandable The book reflects the authors penchant for communicating the pertinent facts in very direct language and creating a context for understanding the multifaceted issues and applying them to practice **Practical Guide to Mergers, Acquisitions and Business Sales** Joseph B. Darby,2006 Buying and selling a business is a challenging process It involves rituals and interactions that are sometimes eerily similar to the courtship dynamic between a human couple While many business courtships end in an economic marriage plenty of others fail and for a variety of reasons Many unsuccessful business negotiations could have made sense but ultimately floundered because negotiations went badly awry at some crucial point CCH s brand new Practical Guide to Mergers Acquisitions and Business Sales by seasoned business transaction attorney and author Joseph B Darby III J D not only explains the tax aspects of buying and selling a business but examines the special art of closing major business transactions successfully through an understanding of the tax consequences of the deal There also are two other parties with a major economic stake in a business merger acquisition or sale the federal government and usually at least one state government The role of a tax adviser on an business acquisition transaction is to make everyone aware that there are two silent partners in the room at all times and that the Buyer and Seller have a common interest in cutting the silent partners out of the deal or reducing their take The purpose and mission of Practical Guide to Mergers Acquisitions and Business Sales is to teach practitioners and business stakeholders how to pare the tax costs of transactions to the absolute minimum within the boundaries of ethical and appropriate tax reporting Publisher s website *LLC & S-Corporation Made Simple* Franklin Henry,2025-06-28 Are you building your dream business but unsure whether an LLC or S Corporation is the right structure for your future success Choosing the right business entity isn t just a legal formality it can be the difference between saving thousands on taxes protecting your personal assets and setting your company up for scalable growth This book is your all in one resource for confidently navigating the world of small business structures compliance taxes and financial strategy Whether you re a solo entrepreneur small business owner freelancer or startup founder this book will equip you with the knowledge you need to make informed decisions about your business foundation Inside you ll discover the real differences between LLCs and S Corps from how they re formed to how they re taxed managed and scaled You ll learn when and why to elect S Corp status how to legally pay yourself as an owner and what strategies help you reduce your tax burden without crossing IRS red lines Written in clear engaging language and packed with practical insights this book also provides step by

step instructions for forming your LLC electing S Corp status filing the right documents staying compliant and avoiding costly mistakes that many new business owners make You ll explore important topics like building business credit setting up accounting systems hiring employees or contractors and managing your growth with confidence This is more than just a legal guide it s a powerful business building tool that merges legal essentials with strategic thinking It includes expert insights a comprehensive FAQ section and bonus resources such as checklists and professional contact suggestions to support your entrepreneurial journey If you re searching for an SEO friendly up to date and practical resource to help you make the smartest legal and financial decisions for your business this is the guidebook you ve been waiting for This guide is your go to manual for forming managing and growing your business the right way legally strategically and confidently Whether you re launching your first venture or restructuring an existing one this book will help you build a strong foundation that supports success for years to come *Practical Guide to Cost Segregation* Paul G. DiNardo, Shirley C. Baldwin, Cathy A. Harris, 2008
