Internal Audit Quality Sally-Anne Pitt, 2014-09-29 Deliver increased value by embedding quality into internal audit activities Internal Audit Quality Developing a Quality Assurance and Improvement Program is a comprehensive and authoritative guide to better practice internal auditing Written by a global expert in audit quality this guide is the first to provide complete coverage of the elements that comprise an effective internal audit quality assurance and improvement program Readers will find practical solutions for monitoring and measuring internal audit performance drawn from The IIA s International Standards for the Professional Practice of Internal Auditing and complemented by advice and case studies from leading audit practitioners from five different continents Major corporate and financial collapses over the past decade have challenged the value of internal audit With an increased focus on internal audit s role in good governance management is increasingly demanding that internal audit provides assurance of the quality of its own activities The IIA standards provide a framework for audit quality in the form of mandatory guidance Recent research indicates that the majority of internal audit functions do not fully comply with the standards and as a result are not servicing the needs of their organizations as well as they might Internal Audit Quality offers a roadmap to internal audit quality providing readers the guidance they need to Embed quality into all elements of internal audit from strategic and

operational planning down to day to day tasks Create well defined internal audit programs and procedures Independently self assess internal audit quality and performance Conform with the IIA standards and better practice Provide assurance over internal audit efficiency and effectiveness Deliver value by meeting stakeholder expectations As a key component of good governance internal audit is on the rise The days of retrospective compliance focused auditing is a thing of the past Organizations expect more of internal audit and many internal audit activities are accepting the challenge Rather than relying on audit supervision and external assessments modern auditors are embedding quality into audit activities to create effective programs For the auditor looking to distinguish themselves as leading edge Internal Audit Quality provides the guidance that enables the right work at the right time in the right way *Auditing* Robyn Moroney,Fiona Margaret Campbell,Jane Maree Hamilton,Valerie Warren,2012-01-11 Auditing a Practical Approach is a new Canadian textbook written for students studying auditing at an undergraduate and postgraduate level The text reflects how an audit is conducted in practice and the issues that are of greatest concern to auditors **Fraud Auditing Using CAATT** Shaun Aghili,2019-04-15 This book discusses various common occupational and organizational fraud schemes based on the Association of Certified Fraud Examiners ACFE fraud tree and assist fraud examiners and auditors in correctly choosing the appropriate audit tests to uncover such various fraud schemes The book also includes information about audit test red flags to watch out for a list of recommended controls to help prevent future fraud related incidents as well as step by step demonstrations of a number of common audit tests using IDEA as a CAATT tool **Advances in Accounting Behavioral Research** Khondkar E. Karim,2020-07-23 This volume of Advances in Accounting Behavioral Research explores the most cutting edge research in behavioral accounting including chapters on recruitment organizational culture and fraud and angel investments among many more Auditing: a Practical Approach, 4e Print and Interactive E-Text Robyn Moroney,Fiona Campbell,Jane Hamilton,2020-09-11 **Research Handbook on Accounting and Ethics** Marion Brivot,Charles H. Cho,2023-03-02 This invigorating Research Handbook focuses on collective ethical issues facing the accounting profession as a whole as well as the users of the services provided by accountants Providing an overview of contemporary accounting and ethics issues around the world it discusses the ethical considerations involved in accounting including external and internal auditing tax forensic accounting and governance as well as new areas of research relating to accounting and ethics through cross fertilization with other disciplines and presenting multiple innovative perspectives **Auditing Teams** Mara Cameran,Angelo Ditillo,Angela Pettinicchio,2017-03-31 The recent audit failures which have rocked financial markets worldwide have accentuated the need for a better understanding of the link between risk control and audit quality as well as emphasising the need to open the black box of the ways auditing firms actually function Reflecting these imperatives Auditing Teams unravels the organizational and management issues in audit firms that are key to achieving effectiveness in service provision Specifically this key research reflects upon the relevance and dynamics of auditing teams and their impact

on auditing quality and specifically responding to the recent claim from regulators which highlights auditing team characteristics as the source of wide variations in quality By leveraging different perspectives auditing management accounting organization and psychology to investigate auditing teams and basing on evidence collected from the professional world this book will provide a unique insight into the role of auditing teams on audit quality It will be of great interest to scholars and advanced students in auditing as well as to practitioners and regulators in the field **Auditing: a Practical Approach, 3rd Canadian Edition WileyPLUS Card** Robyn Moroney, 2017-10-23
