Rumor Has It:

Spaces, Worlds, and Grammar Gilles Fauconnier, Eve Sweetser, 1996-12 In the highly influential mental spaces framework developed by Gilles Fauconnier in the mid 1980s the mind creates multiple cognitive spaces to mediate its understanding of relations and activities in the world and to engage in creative thought These twelve original papers extend the mental spaces framework and demonstrate its utility in solving deep problems in linguistics and discourse theory Investigating the ties between mental constructs they analyze a wide range of phenomena including analogical counterfactuals the metaphor system for conceptualizing the self abstract change expressions in Japanese mood in Spanish deictic expressions copular sentences in Japanese conditional constructions and reference in American Sign Language The ground breaking research presented in this volume will be of interest to linguists and cognitive scientists The contributors are Claudia Brugman Gilles Fauconnier George Lakoff Yo Matsumoto Errapel Mejias Bikandi Laura A Michaelis Gisela Redeker Jo Rubba Shigeru Sakahara Jose Sanders Eve Sweetser and Karen van Hoek

We Are Cowlitz Darleen A. Fitzpatrick, 2004-08-18 Cowlitz are a Coast Salish group of southwestern Washington who are defined by where they are from their line of descent and their level of prestige vis vis other groups along the coast and in the interior In this book Darleen Fitzpatrick probes the interconnection between culture and the boundaries that surround it suggesting that Coast Salish ideology which centers upon a class prestige system and a code of ethics links social structure with culture These features initiate Cowlitz ethnic boundaries and the development of related cultural signs which both transmit and communicate Cowlitz collective ethnic identity as well as salience of ethnicity Dr Fitzpatrick provides a modest semiotic analysis of culture that distinguishes the cultural signs Cowlitz expresses some of which are not attached to the ideology to help readers understand their meaning

Deepfake Sarah Darer Littman, 2020-10-06 What happens when anyone can make a video of you saying anything Dara Simons and Will Halpern have everything they've ever wanted They are the rulers of Greenpoint High's geekdom overachieving in every way and it's an intense competition to see who will be valedictorian One the entire school is invested in That is until Rumor Has It the anonymous gossip site posts a video of Dara accusing Will of paying someone to take the SAT for him When the video goes viral suddenly Will's being investigated and everyone's wondering how he pulled off cheating on the SAT But Dara swears that she didn't say any of those things which seems a little hard to believe since it's her in the video Did Will cheat Is it Dara saying he did Who's lying and who's telling the truth The answer is more shocking than anyone realizes

Question Marks Kashef Javeed, 2016-03-29 I like many of you out there am not fearful of the answers that I am seeking I like many of you out there will not just accept how things are We need to question We need to reason Like many of you out there I need to explore I need to feel I need to sense I need to know I need to seek I seek a riveting yet rational reason I seek a profound yet purified truth I seek a luring yet logical answer I seek a boisterous yet believing reality Even the Almighty God encourages one to seek He encourages us to question and reason

Rumor and Communication in

Asia in the Internet Age Greg Dalziel, 2013-07-18 New communication technology has transformed the way in which news about key events is communicated For example in the immediate aftermath of catastrophic events such as the Mumbai attacks or the Japanese tsunami partial accounts accurate and inaccurate facts rumour and speculation are now very rapidly disseminated across the globe often ahead of official announcements and formal news reporting Often in such situations rumours take hold and continue to characterise events even after a more complete more accurate picture eventually emerges This book explores how such rumours are created disseminated and absorbed in the age of the internet and mobile communications It includes a wide range of examples and besides considering the overall processes involved engages with scholarly debates in the field of media and communication studies

Rumor Has It Julia Cook, 2018-06-15 Whether we've been the subject of a rumor or the one spreading a rumor about someone else most of us have been involved with rumors somehow But how many people really stop to think about the damaging effects Fortunately award winning author Julia Cook does and cleverly brings this serious subject to light in an entertaining and funny but cautionary tale about the importance of NOT starting or spreading rumors Told through the eyes of the rumor marble the story describes how a simple misunderstanding starts a chain reaction that can't be undone

K 6 students will laugh as they read this story and are reminded that it's much easier to prevent a train or a rolling rumor marble from starting to roll forward than trying to stop one

Bronner, 2012-09-10 From their beginnings campuses emerged as hotbeds of traditions and folklore American college students inhabit a culture with its own slang stories humor beliefs rituals and pranks Simon J Bronner takes a long engaging look at American campus life and how it is shaped by students and at the same time shapes the values of all who pass through it The archetypes of absent minded profs fumbling jocks and curve setting dweebs are the stuff of legend and humor along with the all nighters tailgating parties and initiations that mark campus tradition and student identities Undergraduates in their hallowed halls embrace distinctive traditions because the experience of higher education precariously spans childhood and adulthood parental and societal authority home and corporation play and work Bronner traces historical changes in these traditions The predominant context has shifted from what he calls the old time college small in size and strong in its sense of community to mass society's mega university a behemoth that extends beyond any campus to multiple branches and offshoots throughout a state region and sometimes the globe One might assume that the mega university has dissolved collegiate traditions and displaced the old time college but Bronner finds the opposite Student needs for social belonging in large universities and a fear of losing personal control have given rise to distinctive forms of lore and a striving for retaining the pastoral campus feel of the old time college The folkloric material students spout and sprout in response to these needs is varied but it is tied together by its invocation of tradition and social purpose Beneath the veil of play students work through tough issues of their age and environment They use their lore to suggest ramifications if not resolution of these issues for themselves and for their institutions In the process campus traditions are keys to the development of American culture *Jennifer Aniston* Rachel Lynette, 2010-01-20 Best known for her role as Rachel Green in the hit comedy series Friends Jennifer Aniston has enjoyed a long career in the spotlight including several starring roles in hit films Aniston is also one of the most acclaimed actresses of the last generation winning a Grammy a Golden Globe an Emmy a Screen Actors Guild Award and several People's Choices Awards among others This compelling volume provides a balanced biography of Jennifer Aniston Chapters include a look at her childhood her rocky start in show business her breakthrough into stardom with Friends and her start in films **The Art of Truth-telling about Authoritarian Rule** Ksenija Bilbija, 2005 Publisher Description **The Practice of Folklore** Simon J. Bronner, 2019-08-01 Winner of the 2020 Chicago Folklore Prize CHOICE Outstanding Academic Title for 2020 Despite predictions that commercial mass culture

would displace customs of the past traditions firmly abound often characterized as folklore In *The Practice of Folklore Essays* toward a Theory of Tradition author Simon J Bronner works with theories of cultural practice to explain the social and psychological need for tradition in everyday life Bronner proposes a distinctive praxic perspective that will answer the pressing philosophical as well as psychological question of why people enjoy repeating themselves The significance of the keyword practice he asserts is the embodiment of a tension between repetition and variation in human behavior Thinking with practice particularly in a digital world forces redefinitions of folklore and a reorientation toward interpreting everyday life More than performance or enactment in social theory practice connects localized culture with the vernacular idea that this is the way we do things around here Practice refers to the way those things are analyzed as part of rather than apart from theory thus inviting the study of studying The way we do things invokes the social basis of doing in practice as cultural and instrumental Building on previous studies of tradition in relation to creativity Bronner presents an overview of practice theory and the ways it might be used in folklore and folklife studies Demonstrating the application of this theory in folkloristic studies Bronner offers four provocative case studies of psychocultural meanings that arise from traditional frames of action and address issues of our times referring to the boogiemans connecting wild child beliefs to school shootings deciphering the offensive chants of sports fans and explicating male bravado in bawdy singing Turning his analysis to the analysts of tradition Bronner uses practice theory to evaluate the agenda of folklorists in shaping perceptions of tradition centered folk societies such as the Amish He further unpacks the culturally based rationale of public folklore programming He interprets the evolving idea of folk museums in a digital world and assesses how the folklorists terms and actions affect how people think about tradition

My Melissa Robert Beatty, 2022-12-14 George and Arthur are identical twins both are in college and living in late 1930s America They come from a rich upper class Baltimore family Their father had been taking the family on summer vacations to Miami Beach Finding Miami Beach to be too crowded the father changes directions and takes the family to a remote and less known vacation resort in South Carolina There the boys meet and fall head over rich privileged heels in love with a beautiful local girl who works as a cleaning girl who cleans the rental vacation cottages When they return the next year they start up a full blown love and sexual affair with the girl Melissa The girl falls in love with them both of them Both brothers want to marry the girl The situation lead to quite a rivalry between the two brothers which could lead to a serious break between them in the family The problem is that Melissa said she wants to marry BOTH men She says that she loves them both equally and cannot choose between them In the end she refuses to choose between them saying that if they will not agree to a three way marriage she will live with them both in a menage a two arrangement anywhere While that could be worked out in backwoods mountain country it would be totally unacceptable in straight laced conservative Baltimore Brahmin society The boys do not want to leave their family home and situation By a series of events that include a savage barroom between the brothers and locals over the girl a fight in which one of the brothers seriously mutilates a knife

welding redneck thug facing possible serious danger from angry locals who falsely blame the girl for provoking the fight the girl comes home with the boys to live with them as a cleaning girl in the family home in Baltimore much to the chagrin of the boys straight laced mother At home behind closed doors the boys carry on in secret the affair they started in Carolina At their sister s wedding reception both of the brothers propose to the girl with the one she does not choose agreeing to drop out of the picture Sill as much of a stubborn hillbilly girl as she was when they first met her Melissa again refuses to choose between them The issue unresolved as ever the affair otherwise continues in secret at the family house The years roll on Melissa marries out of necessity but which one did she choose Find out how this convoluted love affair ends **Rumors**

Mladen Dolar,2024-11-05 When Socrates was standing before the Athenian tribunal in 399 BC he said in his defence that the opponents he feared most were the invisible ones those who had been spreading rumors against him for years but none of whom were being brought to court it was like fighting shadows The moment was iconic Socrates the harbinger of logos and true knowledge was eventually defeated by rumors and mendacious slander Where does the strange power of rumors come from Everyone knows that rumors are unfounded and based on thin air but still they pass them on rumors spread and what appeared as a small breeze can grow into a mighty whirlwind and produce serious effects ruin people s lives and change the course of events This book scrutinizes the mysterious power of rumors and seeks to analyse it philosophically examining along the way some key moments of our cultural history concerning rumors from Shakespeare and Cervantes to Gogol and Kafka It also underlines the fact that although rumors are as old as humankind the advent of the internet and social media has raised the spreading of rumors to an entirely new level to the point where we could speak of the rumorization of the social The more communication there is the more the social fabric threatens to fall apart and the more urgent it becomes to find strategies to counteract this *Color Me Ipswich* Doug Brendel,2016-01-19 The original Ipswich coloring book 5th in the Only in Ipswich small town New England humor series **ABC** 2023 4 No.250 LiveABC
