*MasterClass in History Education* Christine Counsell, Katharine Burn, Arthur Chapman, 2016-10-06 MasterClass in History Education draws on international research and practice to present effective and engaging approaches for history teachers who want to explore the ways in which reading research and reflection can support the development of history teaching and learning in the classroom At the heart of the book is a series of professional enquiries carried out by experienced history teachers working in a range of contexts Each history teacher addresses clear questions arising from their practice and together they illustrate various approaches to data collection data analysis and argument These history teachers also show how they drew on diverse scholarship in history and history education including many publications by other history teachers In eight further chapters other experts ranging from practitioner scholars to researchers in diverse fields such as history history education teacher education teacher research and curriculum theory reflect on the distinctive insights that these teachers offer and explore connections with their own fields The combination of perspectives and the depth of knowledge of the varied contributors reveal the importance of different kinds of relationship between theory and practice The links between classroom realities and research and the critical use of different kinds of text will support history teachers in developing their practice and professional voice **The Times Index, January -December 2012 ,2012 Pearson**

**Edexcel A-level Psychology Student Guide 1: Foundations in psychology** Christine Brain, 2020-03-02 Reinforce understanding throughout the course with clear topic summaries and sample questions and answers to help students target higher grades Written by experienced teacher and subject expert Christine Brain our Student Guides are divided into two key sections content guidance and sample questions and answers Content guidance will Develop understanding of key concepts and terminology this guide covers foundations in psychology social psychology cognitive psychology biological psychology and learning theories Consolidate knowledge with knowledge check questions at the end of each topic and answers in the back of the book Sample questions and answers will Build understanding of the different question types so that students can approach each question with confidence Enable students to target top grades in Paper 1 with sample answers and commentary explaining exactly why marks have been awarded Religion in Education Joyce Miller, Kevin O'Grady, Ursula McKenna, 2013-04-02 This volume explores numerous themes including the influence of ethnography on religious education research and pedagogy the interpretive approach to religious education the relationship between research and classroom practice in religious education providing a critique of contemporary religious education and exploring the implications of this critique for initial and continuing teacher education *Closing the Writing Gap* Alex Quigley, 2022-05-16 This book explains seven critical steps to improve children s writing Though seemingly natural writing proves devilishly difficult for far too many school pupils and closing this gap can have a lasting impact on their academic and life success With the goal of giving every teacher the knowledge and skill to teach writing with confidence it makes sense of the history and science of writing

synthesising the debates and presenting a wealth of usable evidence about how children develop most efficiently as successful writers It trains teachers to be an expert in how pupils learn to write from the big picture of planning editing and revising your writing to the vital importance of grammar and spelling with accuracy Highly practical strategies and easy to use classroom activities are included to help teachers seize opportunities across the curriculum every school day to teach the critical writing process Closing the Writing Gap will guide teachers at every stage of their career and when used with Alex Quigley s much loved books on Vocabulary and Reading gives school leaders evidence based approaches to literacy that can be applied across a school or a group of schools     Parliamentary Debates (Hansard).
