The book offers unprecedented insights into what safe migration policies look like in practice It is an innovative contribution to contemporary theorizing of contemporary forms of migration governance and will be of interest to sociologists anthropologists political scientists and human geographers working within the fields of Migration studies Development Studies as well as Southeast Asian and Global Studies The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003185734> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
