Robert Lovelace's uninvited hand grasps in Samuel Richardson's Clarissa to to Basil Hallward's first encounter with Dorian Gray literary depictions of touching hands in British literature from the 1740s to the 1890s communicate emotional dimensions of sexual experience that reflect shifting cultural norms associated with gender roles sexuality and sexual expression But what is the relationship between hands tactility and sexuality in Victorian literature And how do we best interpret what those touches communicate between characters This volume addresses these questions by asserting a connection between the prevalence of violent sexually charged touches in eighteenth century novels such as those by Eliza Haywood Samuel Richardson and Frances Burney and growing public concern over handshake etiquette in the nineteenth century evident in works by Jane Austen the Bront's George Eliot Elizabeth Gaskell Thomas Hardy Oscar Wilde and Flora Annie Steel This book takes an interdisciplinary approach that combines literary analysis with close analyses of paintings musical compositions and nonfictional texts such as etiquette books and scientific treatises to make a case for the significance of tactility to eighteenth and nineteenth century perceptions of selfhood and sexuality In doing so it draws attention to the communicative nature of skin to skin contact as represented in literature and traces a trajectory of meaning from the forceful grips that violate female characters in eighteenth century novels to the consensual embraces common in Victorian and neo Victorian literature Touch in the Helping Professions Martin Rovers, Judith Malette, Manal Guirguis-Younger, 2018-04-10 Inappropriate touch cases have sparked public outcry and made headlines but a discussion on the importance and ethics of positive caring appropriate touch in the helping professions such as teaching nursing and counselling is long overdue Touch may well be one of the least understood or talked about subjects in the helping professions A discussion on the importance and ethics of positive caring and appropriate touch in professions such as teaching nursing and counselling is long overdue Touch in the Helping Professions delivers just that weaving together scholarly evidence research and clinical practice from a wide range of perspectives encompassing philosophy theology psychology and anthropology to challenge assumptions about the role of touch in the helping professions. The contributors to the volume focus not only on the overarching roles of gender age culture and life experience but go beyond to encompass canine assisted therapy touch deprivation sacred objects as well as key ethical considerations. The prevailing lack of dialogue due to fear of contravening ethical boundaries has stood in the way of an open and responsible discussion on the use of touch in therapy Touch in the Helping Professions is a welcome and much needed contribution to the field a window onto a fundamental need Published in English <u>Dual Relationships in Counselling & Psychotherapy</u> Gabrielle Syme, 2003-08-07 This thought provoking book should be required reading for all trainers practitioners and supervisors It examines the complex issues that arise when the clinician enters into a relationship with the client beyond the psychotherapeutic boundaries Healthcare Counselling and Psychotherapy Journal A recent development in the profession is a consideration of the appropriate use of touch This is looked at in some detail in this book with useful guidelines of the issues to be considered in deciding whether to

touch a client or not The issue of dual relationships with clients trainees and supervisees affects most counsellors or psychotherapists at some point in their careers Many practitioners are unclear about such boundary issues and how when and if it is appropriate to enter into a dual relationship whether as a friend business partner or sexual partner These relationships are seldom neutral and can have a powerful beneficial or detrimental impact on the person seeking help Dual Relationships in Counselling non sexual relationships for example requests for friendship gift giving and chance meetings outside the therapy room and dual relationships which inevitably occur in small communities and minority groups Exploring a subject which is often avoided and for some even taboo Dual Relationships in Counselling Psychotherapy is an invaluable source of advice for trainees and practitioners alike **Stories Seldom Told** Lois Wilson, 1997 Are you bothered by the roles accorded to girls and women in Bible stories If so Lois Miriam Wilson's Stories Seldom Told is for you Her collection features more than 40 stories of women in the Bible Though the stories are sometimes difficult to hear Wilson tells them in new ways affirming the struggles and perspectives of contemporary women Touch Richard Kearney, 2021-02-23 Our existence is increasingly lived at a distance As we move from flesh to image we are in danger of losing touch with each other and ourselves How can we combine the physical with the virtual our embodied experience with our global connectivity How can we come back to our senses Richard Kearney offers a timely call for the cultivation of the basic human need to touch and be touched He argues that touch is our most primordial sense foundational to our individual and common selves Kearney explores the role of touch from ancient wisdom traditions to modern therapies He demonstrates that a fundamental aspect of touch is interdependence its inherently reciprocal nature which offers a crucial corrective to our fixation with control Making the case for the complementarity of touch and technology this book is a passionate plea to recover a tangible sense of community and the joys of life with others Mosby's Fundamentals of Therapeutic Massage - E-Book Sandy Fritz, Luke Allen Fritz, 2024-05-28 Gain the knowledge and skills you need to succeed in massage therapy Mosby s Fundamentals of Therapeutic Massage 8th Edition helps you prepare for licensing and certification exams as well as professional practice The book provides an in depth understanding of the principles of therapeutic massage and helps you develop the ability to reason effectively and make informed decisions from assessing problems and planning treatment to mastering massage protocols and techniques Hundreds of photographs demonstrate massage techniques step by step and case studies allow you to apply concepts to real world situations Featuring dozens of online how to videos this resource from massage therapy experts Sandy and Luke Fritz is your text of choice Comprehensive coverage includes all of the fundamentals of therapeutic massage including massage techniques equipment and supplies wellness working with special populations and business considerations Step by step full color photographs demonstrate massage protocols and techniques by body area Competency based approach helps you prepare for and pass licensing and certification exams including the Massage and Bodywork Licensing Examination MBLEx and Board Certification in Therapeutic Massage and Bodywork

She explores too the investment in the child actor and expression of child sexuality as well as how confining and conservative existing assumptions can be in terms of commonly held beliefs as to who children really are Touching Bellies, Touching Lives Judy Gabriel, 2015-05-18 When I got there I found the girl lying on the floor naked and screaming with the baby s foot sticking out Judy Gabriel gives humble authentic voice to the personal experiences and practices of scores of traditional midwives in rural Mexico The midwives talk about their childhoods marriages losses rituals and techniques The rich narratives describe childbirth before modern medicine redefined it Intended to engage enrich and inspire Gabriel's work tells of the women who received generations of babies into their hands when knowledge about childbirth came from women s bodies from instinct from dreams and from other women The stories unfold in the context of high intervention obstetrics and soaring Cesarean rates a world that often degrades women and violates the sanctity of birth An ideal supplemental text for courses in cultures of Mesoamerica the anthropology of reproduction midwifery and birth medical or biological anthropology and midwifery practice in historical and cross cultural context Additions Growing a Healing Ministry Kathy Edmison, 2004 This book is based directly on the experience and wisdom of those who have established energy touch healing ministries in congregational settings Fros

and Touch from a Pagan Perspective Christine Hoff Kraemer, 2013-10-23 Within the past twenty years contemporary Pagan leaders progressive Christian and Goddess theologians advocates for gueer and BDSM communities and therapeutic bodyworkers have all begun to speak forcefully about the sacredness of the body and of touch Many assert that the erotic is a divinely transformative force both for personal development and for social change Although the erotic includes sexuality it is not limited to it access to connected nonsexual touch is as profound a need as that for sexual freedom and health In this book Christine Hoff Kraemer brings together an academic background in religious studies and theology with lived experience as a professional bodyworker and contemporary Pagan practitioner Arguing that the erotic is a powerful moral force that can ground a system of ethics Kraemer integrates approaches from queer theology therapeutic bodywork and sexual minority advocacy into a contemporary Pagan religious framework Addressing itself to liberal religious people of many faiths Eros and Touch from a Pagan Perspective approaches the right to pleasure as a social justice issue and proposes a sacramental practice of mindful consensual touch Touched & Prisoners of Sex John Roman Baker, 2009-06-29 Two plays by John Roman Baker TOUCHED is a tense and erotically charged play Two men touched by desire and fear attempt to break through the barriers that surround them Barriers constructed by the fear of love and the memory of sexual abuse Behind the personal story is a wider context Economics and politics affect personal behaviour and attitudes How close is too close That s the question posed by TOUCHED PRISONERS OF SEX presents ten characters five situations and one obsession unprotected sex Vienna London Bratislava Amsterdam and Berlin are the settings for scenarios that across Europe are being repeated and replayed The themes are familiar but the desires are compulsive the motivations complex and the risks shared John Roman Baker has written an incisive amusing irreverent expose of gay male sex that entertains its audience while not flinching from the taboo of unprotected sex Queer Theory in Education William F. Pinar, 2012-10-02 Theoretical studies in curriculum have begun to move into cultural studies one vibrant and increasingly visible sector of which is gueer theory Oueer Theory in Education brings together the most prominent and promising scholars in the field of education primarily but not exclusively in curriculum in the first volume on queer theory in education In his perceptive introduction the editor outlines queer theory as it is emerging in the field of education its significance for all scholars and teachers and its relation to gueer theory in literacy theory and more generally in the humanities Tales That Touch Bettina Brandt, Yasemin Yildiz, 2022-09-20 Cultural texts born out of migration frequently defy easy categorization as they cross borders languages histories and media in unpredictable ways Instead of corralling them into identity categories whether German or otherwise the essays in this volume building on the influential work of Leslie A Adelson interrogate how to respond to their methodological challenge in innovative ways Investigating a wide variety of twentieth and twenty first century texts that touch upon things German in the broadest sense from print and born digital literature to essay film nature drawings and memorial sites the contributions employ transnational and multilingual lenses to show how these works reframe migration and temporality bringing into view
