Opposing Forces Aldivan Torres, Vidente, 2024-08-21 Opposing Forces presents itself as an alternative to overcoming the great duality that exists in each one of us How many times in life are we faced with situations in which both alternatives have favorable and unfavorable circumstances and the act of choosing one of them becomes true martyrdom We must learn to reflect and think carefully about which the true path to be followed is and the consequences of that choice Finally we need to assemble the opposing forces of our lives and make them bear fruit Thus we can achieve a much desired happiness As for the aspect of the book we can say that it came from a cry that I heard in the cave of despair This cry was the cause of all the adventures told in the book Mission accomplished I hope I have reached my goal which is to make just one person dream This is what I propose even more now since we live in a world full of violence cruelty and injustice The opposing forces never again will be the same after its publication and I cannot wait to start a new adventure together with readers who also intend to do so

So, 2010-06-01 This book presents a dynamic picture of Jesus and relates this picture to Jesus fundamental and underlying relationship with his Father through the Holy Spirit The concrete expression of that relationship in Jesus life ministry death and resurrection is presented in a unified manner avoiding the pitfall of majoring on only one of these aspects This holistic and dynamic picture of Jesus in intimate fellowship with his Father through the Spirit gives the readers a valuable glimpse into the mystery of the Trinity and invites them to reflect on what it means to follow Jesus as individuals and as communities in the context of the twenty first century with its many challenges *In His Presence* The Dirt That Grace Breathed On, 2025-01-24 In His Presence is a book of daily devotions intended to awaken empower and encourage its readers to seek God fiercely and independently every day We are in a spiritual warfare yet too many believers are complacent deceived and prisoners of war We live in a time when preachers are afraid to speak against sin while church members live precariously in their lust and pride The global Beast system is upon us and has reached every aspect of our lives especially in the realm of religion This ancient and unrestricted warfare rages on each day but God is mobilizing His people in such a way that no matter how fierce the persecution may be there will always be a people who will stand up against the status quo Is it any wonder that many firm believers have left the modern day church Many were compelled to leave by God s invisible hand

moving protecting and preparing His people We can no longer rely solely on church leaders We must get a hold of God for ourselves We must hear His voice and obey His will without compromise We are not just called to be the watchmen of this generation we are called to be warriors fully engaged in the good fight of faith We are called to be overcomers until the end so that when the Son of man comes to find faith on the earth He will not be disappointed The author s prayer is that we will be counted among those who are faithful eager and waiting for His Return In His Presence provokes believers to pray more intensely study His word more thoroughly and live a life that is holy unto Him *Sacred Balance* Miriam
