Tourism and Gentrification in Contemporary Metropolises Maria Gravari-Barbas, Sandra Guinand, 2017-06-14 Tourism gentrification is a critical shaping force of socio economic and contemporary urban landscapes This book aims to be the first substantive text on this subject explaining the multiple and complex relationships between tourism and gentrification and their outcomes and manifestations in contemporary metropolises This is achieved by drawing on in depth case analyses addressing the different issues at stake Part I deals with the manifestations of tourism gentrification and the ways it affects urban landscapes through heritagization and urban regeneration strategies Part II looks at the correlations between tourism gentrification and culture Finally the last two parts aim to identify and examine forms and expressions of tourism gentrification distinguishing among the actors beneficiaries and victims of the phenomenon while looking at its implications for intra metropolitan territories and metropolitan governance The book approaches these issues in an innovative way by looking at a variety of metropolises in a diverse range of countries and by dealing with the different relations and management issues generated by gentrification in relation to tourism Through interdisciplinary approaches this groundbreaking text sheds light on the role tourism plays in contemporary metropolises furthering knowledge of urban tourism For these reasons it will be of particular interest to scholars and students of tourism urban studies geography anthropology and sociology

Tourism, Land Grabs and Displacement Andreas Neef, 2021-05-09 This book examines the global scope of tourism related grabbing of land and other natural resources Tourism is often presented as a peaceful and benevolent sector that brings people from different cultural backgrounds together and contributes to employment poverty alleviation and global sustainable development This book sheds light on the lesser known and much darker side of tourism as it unfolds in the Global South While there is no doubt that tourism has been an engine of economic growth for many so called developing countries this has often come at the cost of widespread dispossession and displacement of Indigenous and non indigenous communities In many countries of the Global South tourism development is increasingly prioritised by governments businesses international financial institutions and donors over the legitimate land and resource rights of local people This book examines the actors drivers mechanisms

discourses and impacts of tourism related land grabbing and displacement drawing on more than thirty case studies from Latin America and the Caribbean sub Saharan Africa South and Southeast Asia the Middle East and the Southwest Pacific The book provides solid grounds for an informed debate on how different actors are responsible for the adverse impacts of tourism on land rights infringements what forms of resistance have been deployed against tourism related land grabs and displacement and how those who have violated local land and resource rights can be held accountable Tourism Land Grabs and Displacement will be essential reading for students and scholars of land and resource grabbing tourism studies development studies and sustainable development more broadly as well as policymakers and practitioners working in those fields

Development of Tourism and Travel Industry Robin Watts & Zishan Parks, 2018-10-11 Nowadays senior government officials visit other countries to promote tourism in their country Because of the fact that the western capitalist world has huge amounts of capital at their disposal they are able to invest more money in the tourism industry for tourism development and as such they get huge dividends from tourism This work is an attempt in the collection of firsthand information from various areas of tourism industry draw from wide range of sources A travel agency is a private retailer or public service that provides travel and tourism related services to the public on behalf of suppliers such as activities airlines car rentals cruise lines hotels railways travel insurance and package tours In addition to dealing with ordinary tourists most travel agencies have a separate department devoted to making travel arrangements for business travelers and some travel agencies specialize in commercial and business travel only There are also travel agencies that serve as general sales agents for foreign travel companies allowing them to have offices in countries other than where their headquarters are located Travel and tourism industry has now become the largest civilian industry in the world according to statistics one out of every ten person worldwide is part of the Travel and tourism industry Travel and tourism is one of the largest and fastest growing global service industries The travel and tourism industry along with the related sectors contributing to it is expected to grow in leaps and bounds in the coming years The book is a unique research account on tourism strategies and marketing It is an excellent asset for the students scholars and expert of tourism marketing

Global Climate Change and Coastal Tourism Andrew L Jones, Michael Phillips, 2017-11-29 Building upon the book *Disappearing Destinations* Jones and Phillips 2010 and its conclusion that promoted the need to recognize problems meet expectations and manage solutions *Global Climate Change and Coastal Tourism* explores current threats to and consequences of climate change on existing tourism coastal destinations Part 1 of the book provides a theoretical platform and addresses topics such as sustainability tourism impacts governance trade and innovation and how the media addresses climate change and tourism It also assesses management and policy options for the future sustainability of threatened tourism coastal destinations Part 2 presents case studies from all regions of the world Europe The Americas Asia Africa and Australasia which synthesise findings to make recommendations that can be used to promote strategies that ameliorate projected impacts of climate change on coastal

tourism infrastructure and in turn promote the future sustainability of coastal tourism destinations This is a timely and informative text with appeal to researchers undergraduate and post graduate students of tourism management tourism planning sustainable tourism development and leisure management coastal tourism management environmental management planning geography coastal zone management or climate change studies **Maritime Claims and Boundary**

Delimitation Nicholas A. Ioannides, 2020-09-27 This book delves into the major developments triggered by the hydrocarbon discoveries in the Eastern Mediterranean over the last twenty years focusing on maritime boundary delimitation Examining the impact that the hydrocarbon discoveries have had on the application of the law of the sea rules by the East Med states the book looks at the new trends concerning the implementation of the law of the sea in the region The book analyses regional state practice in terms of maritime delimitation namely the conclusion of bilateral agreements based on the law of the sea rules both conventional and customary reflecting the East Med states willingness to cooperate in order to reap the benefits of the energy windfall Alongside this analysis an outline of the hydrocarbon discoveries and the pertinent maritime activities is given as well as further coverage of the overlapping maritime claims and disputes between Greece Cyprus and Turkey on one side and Lebanon and Israel on the other Moreover the book examines the validity of maritime claims made by or through non state entities in the region namely the State of Palestine the UK Sovereign Base Areas and the so called Turkish Republic of Northern Cyprus and their potential impact on the delimitation agreements already in place The book argues that the East Med paradigm concerning the successful application of the pertinent norms in maritime delimitation proves that international law is resilient and capable of providing solutions in other turbulent regions around the globe This book will be of interest and importance to academics and students of international law professionals in the oil and shipping industries legal professionals and government agencies *Rural and Eco-Tourism in India* Mr. Rohit Manglik, 2003-06-03 In this book we will study about rural and eco tourism in India It explores sustainable practices local culture promotion and nature based tourism

Return to the Shadows Alison Pargeter, 2016-09-22 The Arab Spring heralded a profound shift in the Middle East bringing to power Islamist movements which had previously been operating in the shadows The Muslim Brotherhood stormed to victory in Egypt and emerged as a key player in Libya s nascent political arena Meanwhile An Nahda found itself catapulted into power as the head of Tunisia s coalition government For a while it looked as though the region was entering the dawn of a new Islamist age But navigating their respective countries through difficult and painful transitions ultimately proved too challenging for these forces and just as suddenly the Brotherhood was dramatically overthrown in Egypt and left severely weakened in Libya In Tunisia An Nahda managed to pull itself through the crisis but its failure to articulate and deliver the hopes and aspirations of a large section of Tunisian society damaged its credibility In this authoritative account Alison Pargeter expertly charts the Islamists ascent and subsequent fall from power Based on extensive research and interviews with high ranking members of the Brotherhood and An Nahda Pargeter offers a comparative analysis

of the movement in North Africa since the Arab Spring and outlines the consequences of the Brotherhood's decline on both the region and the wider Islamist political project

We the Possibility Mitchell Weiss, 2021-01-19 Can we solve big public problems anymore Yes we can This provocative and inspiring book points the way The huge challenges we face are daunting indeed climate change crumbling infrastructure declining public education and social services At the same time we've come to accept the sad notion that government can't do new things or solve tough problems it's too big too slow and mired in bureaucracy Not so says former public official now Harvard Business School professor Mitchell Weiss The truth is entrepreneurial spirit and savvy in government are growing transforming the public sector's response to big problems at all levels The key Weiss argues is a shift from a mindset of Probability Government overly focused on safe solutions and mimicking so-called best practices to Possibility Government This means public leadership and management that's willing to boldly imagine new possibilities and to experiment Weiss shares the three basic tenets of this new way of governing Government that can imagine Seeing problems as opportunities and involving citizens in designing solutions Government that can try new things Testing and experimentation as a regular part of solving public problems Government that can scale Harnessing platform techniques for innovation and growth The lessons unfold in the timely episodes Weiss has seen and studied the US Special Operations Command prototyping of a hoverboard for chasing pirates a heroin hackathon in opioid-ravaged Cincinnati a series of experiments in Singapore to rein in Covid-19 among many others At a crucial moment in the evolution of government's role in our society *We the Possibility* provides inspiration and a positive model along with crucial guardrails to help shape progress for generations to come

The Philippines and France: Discovery, Rediscovery Aileen S. Mendiola-Rau, 2019-04-01 THE DIPLOMATIC RELATIONS BETWEEN THE PHILIPPINES AND FRANCE DID NOT MERELY BEGIN OVER 70 YEARS AGO The journey of discovery began even earlier when French cartography was being developed as early routes to and around the Philippines were first being plotted by adventurous maritime explorers The cover of this book depicts this journey a French frigate bravely traverses the seas of Guillaume Delisle's 17th century world map headed eastward in search of new discoveries guided by the Philippine sun As both countries rediscover each other by building an even better relationship in the future it will be a continuous journey of both discovery and rediscovery

Zimbabwe International Monetary Fund. African Dept., 2015-04-28 EXECUTIVE SUMMARY Context The Zimbabwean authorities have made progress in implementing their macroeconomic and structural reform programs despite the economic and financial difficulties During 2015 the

authorities policy reform agenda will continue to focus on a reducing the primary fiscal deficit to raise Zimbabwe s capacity to repay b restoring confidence in the financial system c improving the business climate and d garnering support for an arrears clearance strategy Recent developments outlook and risks Zimbabwe s economic prospects remain difficult Growth has slowed and is expected to weaken further in 2015 Despite the favorable impact of lower oil prices the external position remains precarious and the country is in debt distress Key risks to the outlook stem largely from a further decline in global commodity prices fiscal challenges and possible difficulties in policy implementation However the authorities are committed to intensifying their efforts to ensure successful implementation of the program and to lay the ground for stronger more inclusive and lasting economic growth Program performance All quantitative targets and structural benchmarks for the first review under the staff monitored program SMP were met The authorities demonstrated strong commitment to the program in a difficult economic and financial environment Moreover they have made meaningful progress in implementing other key structural reforms such as making operational an asset management company and amending the indigenization and empowerment law Reengagement with creditors The authorities have stepped up their reengagement with creditors including by increasing payments to the World Bank WB and the African Development Bank AfDB a key step in their roadmap toward seeking rescheduling of bilateral official debt under the umbrella of the Paris Club These developments constitute important steps toward reengaging with the international financial institutions IFIs They plan to step up their efforts to build consensus among creditors and development partners on ways to address the external arrears
