Making Money From CFD Trading Catherine

Davey, 2011-12-30. Contracts for difference or CFDs have taken Australian traders by storm. Catherine Davey's first book on the subject, Contracts for Difference: Master the Trading Revolution, was a great success. In this follow-up, she shares her real life CFD trading experiences over a three-month period in 2005. During this time, she manages to turn 13,000 into 30,000, but her path to success is anything but straight and simple. Making Money from CFD Trading describes not only the reasoning behind and execution of her trading strategies but also presents an honest, inspiring, and often humorous discussion of her emotional journey as a trader. Catherine gives a fascinating insight into the trading experience, struggling to maintain the right psychology, avoiding irrational ego trades, and finding emotional balance between depressing losses and big wins. She presents a range of opinions from industry experts and commentators discussing day-to-day trading issues and sharing controversial market views. This book will give you an understanding of simple charting techniques that make money, the unique aspects of trading CFDs, how to exploit the advantages CFD trading has over traditional share trading strategies for establishing and maintaining a winning mental approach.
