Intoxicating Pleasures Lisa Sheryl Jacobson,2024 In popular memory the repeal of US Prohibition in 1933 signaled alcohol s decisive triumph in a decades long culture war But as Lisa Jacobson reveals alcohol s respectability and mass market success were neither sudden nor assured It took a world war and a battalion of public relations experts and tastemakers to transform wine beer and whiskey into emblems of the American good life Alcohol producers and their allies a group that included scientists trade associations restaurateurs home economists cookbook authors and New Deal planners powered a publicity machine that linked alcohol to wartime food crusades and new ideas about the place of pleasure in modern American life In this deeply researched and engagingly written book Jacobson shows how the yearnings of ordinary consumers and military personnel shaped alcohol s cultural reinvention and put intoxicating pleasures at the center of broader debates about the rights and obligations of citizens **St. Nick's Journey** Keith Mayhew-Hammond,2020-12-28 Tom desperately tries to battle his doubts and fears about death abandonment and loneliness while struggling with Obsessive Compulsive Disorder acute anxiety and crippling depression He writes prose and poetry in his journal as an attempt to cope And he tries unsuccessfully to keep this internal conflict from becoming known to his family and friends by trying to keep up
