The Life of Charles Dickens Frederic George Kitton, 2004 The story of Charles Dickens's life is a truly remarkable rags to riches tale His father's bankruptcy and imprisonment led to Dickens working in a blacking factory at an early age These humble beginnings were to become a major influence upon his life and his writings Dickens became a sensation in his own time and his legacy lives on His books sold in tens of thousands Audiences flocked to see him when he performed public readings of his works inciting Bozmania Venues became sold out touts sold tickets at inflated prices and women fainted at his thrilling recitals He went on to conquer America and commanded great fees for his performances This long overdue republication from 1902 chronologically records the events in the life of the Inimitable Boz We discover that he was not just an author but also an actor publisher journalist editor public reader art critic political economist and social reformer We learn about the characters in his books who inspired them and uncover something of the personality of Dickens himself He was a meticulous workaholic

with a desire not to be poor again and it was this desire that ultimately killed him About the author Frederic George Kitton 1856 1904 was born in Norwich England At the age of seventeen he moved to London and joined the staff of The Graphic as an apprentice He became a skilled etcher and contributed to artistic journals before becoming an author Kitton was one of the founders of the Dickens Fellowship and most of his publications relate to the life and works of Charles Dickens including Dickensiana A Bibliography of the Literature Relating to Charles Dickens and His Writings as well as annotating the Rochester edition of Dickens s Works **George, Nicholas and Wilhelm** Miranda Carter,2010-03-23 In the years before the First World War the great European powers were ruled by three first cousins King George V of Britain Kaiser Wilhelm II of Germany and Tsar Nicholas II of Russia Together they presided over the last years of dynastic Europe and the outbreak of the most destructive war the world had ever seen a war that set twentieth century Europe on course to be the most violent continent in the history of the world Through brilliant and often darkly comic portraits of these men and their lives their foibles and obsessions Miranda Carter delivers the tragicomic story of Europe s early twentieth century aristocracy a solipsistic world preposterously out of kilter with its times **St. Nicholas, Conducted by M.M.
