Sincerely, Alice Johnson Alex Rousse,2012-10 Shortly after my last entry the town of Irondequoit was taken over by the United States Armed Forces People in black camouflage uniforms were up and down every street marching in synchronization Occasionally they will hand off their position to another member of the troop but otherwise the streets are constantly combed through for escapees My father and I are scared for our lives though Dad thinks he could help start a revolt against them One minute I m listening to my ratty old iPod and the next I have these guys busting down my door Guards were storming in uninvited capturing the both of us Two guards held on to me and my dad while the other two ran throughout the house collecting all of my stuffa A second guard came from behind them and pulled out his gun from his holster I opened my mouth to warn them but it was too late The two guards ganged up on the three of them and emptied their guns into the triplets bodies Blood was trickling down the fronts of their faces forming a small crimson pool around their heads And then right there I vowed that I in memory of Jeremy Peter and Shaun would survive through this crisis the USAF had in store for Irondequoit if it was the last thing I could do Sincerely Alice Johnson Death and Dying Harold Bloom,Blake Hobby,2009 Some of the greatest works of literature have wrestled with the task of illuminating the human experience of death This new title discusses the role of death and dying in works such as Beloved A Farewell to Arms Lord of the Flies Paradise Lost and many others Featuring approximately 20 essays Death and Dying provides valuable insights on this recurring theme in literature *Motherhood, Fatherland, and Primo Levi* Robert Pirro,2017-09-05 Motherhood Fatherland and Primo Levi The Hidden Groundwork of Agency in his Auschwitz Writings offers major new insights into the

political dimensions of Levi's thought by using those texts conventionally thought to be marginal to his oeuvre i.e. his short works of science fiction and fantasy and his World War Two partisan novel to deepen our understanding of the lessons he offered in his more well known and celebrated texts *Survival in Auschwitz* and *The Drowned and the Saved*. Typically cast as one of the most profound theorists of what human beings at their worst can do to one another, Levi appears in this book as in addition a theorist who affirms a politics of active and broad participation in republican institutions as an important means of achieving a fulfilled human life. This book reinterprets Levi's political significance by bringing to bear two literatures that have been previously missing from scholarly considerations of Levi's legacy: psychologically informed analyses of how infantile and toddler experience of and relationship to a primary caretaker shape later perceptions of self and relationship and studies of Machiavelli's variant of republican thought in which major emphasis is placed on founding institutions of civic participation that develop responsible political leaders and foster good citizenship. In the aftermath of the so-called Arab Spring which has given rise to people acting on their worst impulses (ethnic cleansing, genocide) as well as on their best (revolution, democratic constitutionalism), Levi's legacy considered more comprehensively can be a valuable touchstone for understanding the democratic possibilities of a world undergoing rapid political change. Avoiding academic jargon and entanglement in hyper-specialized academic debates, *Motherhood, Fatherland, and Primo* offers that comprehensive understanding to scholars across many fields (Italian studies, political theory, cultural studies, women's studies, Holocaust studies, history) as well as to general interest readers of a humanistic bent and citizens concerned to make sense of this revolutionary age.

S. Lillian Kremer, author of *Women's Holocaust*

Writing Memory and Imagination How This Night Is Different Elisa Albert, 2006-07-10 Elisa Albert's debut story collection marks the arrival of an extraordinary new voice in fiction. In *How This Night Is Different*, Albert boldly illuminates the struggles of young disaffected Jews to find spiritual fulfillment. With wit and wisdom, she confronts themes of self-deprecation, stressful family relationships, sex, mortality, and the Holocaust, which have been hallmarks of her literary predecessors. But Albert brings a decidedly fresh, iconoclastic, twenty-first-century attitude to the table. Holidays, gatherings, and rites of passage provide the backdrop for these ten provocative stories. The characters who populate *How This Night Is Different* are ambivalent, jaded, and in serious want of connection. As they go through the motions of familial duty and religious observance, they find themselves continually longing for more. In prose that is by turns hilarious and harrowing, Albert details the quest for acceptance, a happier view of the past, and above all, the possibility of a future. From the hormonally charged concentration camp teen tour in *The Living* to the sexually frustrated young mother who regresses to bat mitzvah aged antics in *Everything But*, and culminating with the powerful and uproariously apropos finale of *Etta or Bessie or Dora or Rose*, *How This Night Is Different* is sure to titillate, charm, and profoundly resonate with anyone who's ever felt conflicted about his or her faith, culture, or place in the world.
