Anecdotes and Afterthoughts: Literature as a Teacher's Curriculum Edward Podsiadlik III,2014-09-23 This qualitative journey explores how literature informs and challenges my understanding of teaching and learning Insights questions and conflicts are revealed through a series of essays in which my evolving teacher identity is illuminated through literature and imagination Hopefully reading this portrayal of literature which has been a source of educational insight and imagination for me will be of use to other educators as they reflect on their own teaching The primary works of literature used to facilitate this journey are The Red Badge of Courage 1895 Les Miserables 1862 and American Idiot 2004 Light in

August 1932 Seinfeld scripts 1991 98 and Frankenstein 1818 and The Odyssey Night 1960 and The Souls of Black Folk 1903
 By delving beneath my exterior teacher mask a collage of images anecdotes reflections aspirations and fears is exposed As a
 resource for pre service teachers or a reflective exercise for veteran teachers this study aims to benefit educators by
 providing a new pathway through which to better understand their intrinsic identities as teachers Each chapter concludes
 with Recommendations for Reflection that readers are encouraged to consider individually and or collectively The spirit of
 daydreams allows me to integrate literature autobiography and imagination through inventive and inspired discourses with
 literary figures using authentic quotations as content for original commentaries that further examine the intrinsic nature of
 teacher identity My hope is that this journey will inspire other educators to further reflect on realities and possibilities of
 what it means to be a teacher

Faithful Renderings Naomi Seidman, 2010-02-15 Faithful Renderings reads translation
 history through the lens of Jewish Christian difference and conversely views Jewish Christian difference as an effect of
 translation Subjecting translation to a theological political analysis Seidman asks how the charged Jewish Christian
 relationship and more particularly the dependence of Christianity on the texts and translations of a rival religion has haunted
 the theory and practice of translation in the West Bringing together central issues in translation studies with episodes in
 Jewish Christian history Naomi Seidman considers a range of texts from the Bible to Elie Wiesel's Night delving into such
 controversies as the accuracy of various Bible translations the medieval use of converts from Judaism to Christianity as
 translators the censorship of anti Christian references in Jewish texts and the translation of Holocaust testimony Faithful
 Renderings ultimately reveals that translation is not a marginal phenomenon but rather a crucial issue for understanding the
 relations between Jews and Christians and indeed the development of each religious community
