Night Life Performers Volume 1

Camilla Rothe

Night Life Performers Volume 1:

The Scene of Harlem Cabaret Shane Vogel, 2009-04 Harlem's nightclubs in the 1920s and 30s were a crucible for testing society's racial and sexual limits. Combining performance theory, historical research, and biographical study, this title explores the role of nightlife performance as a definitive touchstone for understanding the racial and sexual politics of the early 20th century.

The Evangelical repository. Vol. 1- new, 1871 *Encyclopedia of Great Popular Song Recordings* Steve Sullivan, 2013-10-04 From John Philip Sousa to Green Day, from Scott Joplin to Kanye West, from Stephen Foster to Coldplay, *The Encyclopedia of Great Popular Song Recordings* Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth. Approximately 1,000 key song recordings from 1889 to the present are explored in full, unveiling the stories behind the songs, the recordings, the performers, and the songwriters. Beginning the journey in the era of Victorian parlor balladry, brass bands, and ragtime, with the advent of the record industry, readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record, and the shift from acoustic to electrical recording in the 1920s. The odyssey continues through the Swing Era of the 1930s, rhythm and blues, rock, modern soul, the British invasion, and the folk rock movement of the 1960s, and finally into the modern era through the musical streams of disco, punk, grunge, hip hop, and contemporary dance pop. Sullivan, however, also takes critical detours by extending the coverage to genres neglected in pop music histories: from ethnic and world music, the gospel recording of both black and white artists, and lesser-known traditional folk tunes that reach back hundreds of years. This book is ideal for anyone who truly loves popular music in all of its glorious variety, and anyone wishing to learn more about the roots of virtually all the music we hear today. Popular music fans, as well as scholars of recording history and technology, and students of the intersections between music and cultural history, will all find this book to be informative and interesting.

Accordion Stars Illustrated Magazine-Book. Volume 1 March 2019 Maximilien de Lafayette, 2019-02-06 *Accordion Stars Illustrated Magazine Book Vol 1 March 2019*. In color. Gracing the cover: Debra Peters, James Rand, Annelies Winten, Linda Ann Warren, Jean Dauvin, Madlyn. Why accordion's large Organizations in the U.S. do not publish an accordion magazine. Health problems caused by playing the accordion: instructions for safe lifting and carrying techniques. Your accordion's case. The 10 Best Accordion Cases. Gig Bags. How to reduce fatigue, stress, and pain of the back caused by playing the accordion.

City Songs and American Life, 1900-1950 Michael L. Lasser, 2019. Nothing defines the songs of the great American songbook more richly and persuasively than their urban sensibility. During the first half of the twentieth century, songwriters such as Harold Arlen, Irving Berlin, Dorothy Fields, George and Ira Gershwin, and Thomas Fats Waller flourished in New York City, the home of Tin Pan Alley, Broadway, and Harlem. Many of these remarkably deft and

forceful creators were native New Yorkers Others got to Gotham as fast as they could Either way it was as if from their vantage point on the West Side of Manhattan these artists were describing America not its geography of politics but its heart to Americans and to the world at large In City songs and American life 1900 1950 renowned author and broadcaster Michael Lasser offers an evocative and probing account of the popular songs including some written originally for the stage or screen that America heard and sang and danced to during the turbulent first half of the twentieth century Lasser demonstrates how the spirit of the teeming city pervaded these wildly diverse songs Often that spirit took form overtly in songs that portrayed the glamor of Broadway of the energy and jazz age culture of Harlem But a city bred spirit or even a specifically New York City way of feeling and talking also infused many other widely known and loved songs stretching from the early decades of the century to the twenties the age of the flapper bathtub gin and women s right to vote the Great Depression and finally World War II Throughout this remarkable book Lasser emphasizes how the soul of city life as echoes in the nation s songs developed and changed in tandem with economic social and political currents in America as a whole Dust jacket flap
