Lesley Graham,2017-08-18 Tradition had the League of Star Warriors being rooted in the Tejas Rangers of the Statea United on the mythical First Earth However while the Tejas Rangers rode horses over the vast wastelands of a single planet Star Warriors flew and lived on their thunderturkies as their class of battle starships were called They went from planet to planet Rangers fought with six shot slug throwers rifles and shotguns Star Warriors fought with the latest technological weapon systems including a sling pistol heavily armed thunderturkey and Hawk star fighter Rangers rode with other rangers and were controlled by the Tejas government Star Warriors operated alone and were governed by the League of Star Warriors Rangers went after common criminals Star Warriors went after master criminals powerful criminal organizations and other evil people who were above the law for one reason or another reason or another Rangers brought lawbreakers before judges who handed out justice Star Warriors were judges juries and off time executioners Unlike other law enforcement professionals and members of military organizations Star Warriors were still Star

Warriors even after they voluntarily retired or were barred from serving on active duty The forehead of each Star Warrior was covered with tattoos identifying him as a Star Warrior telling how many years he spent of active duty and telling the number of times he had been wounded People sought out those tattoos when they needed help because the local police couldn't or wouldn't help them Jack Quantum had been medically retired Yet he still operated as a Star Warrior He stopped two assassination attempts and saved a small boy from suffering through a painful and ugly death He unmasked a major drug lord and stopped his plans to take over the star trader he was flying on Jack became the Master of the star trader after being critically injured during a firefight the star trader had with an overwhelming number of starships Yet he was instrumental in saving the starship and over forty thousand people as it blindly flew across the galaxy      *The Journal of Education* ,1909
