Examination for Acceleration/Credit by Exam Study Guide

This EA/CBE Study Guide can help you prepare for the exam by giving you an idea of what you need to study, review, and learn. To succeed, you should be thoroughly familiar with the subject matter before you attempt to take the exam.

Every question that appears on the EA/CBE is grounded in the knowledge and skills statements and student expectations within the state-mandated standards, the Texas Essential Knowledge and Skills (TEKS). It should be noted that the exam will not test every student expectation. However, it is important that students study and know the entire scope of the TEKS so that they can develop a complete understanding of the content. The EA/CBEs are global exams grounded in the TEKS and are not designed to be a final exam for the University of Texas High School courses. You can view the TEKS for this exam online at <http://www.texasstate.tx.us/index.aspx>. Since questions are not taken from any one source, you can prepare by reviewing any of the state-adopted textbooks.

About the Exam

The EA/CBE consists of the following:

- Part 1: Listening Comprehension, 15 multiple-choice questions, 15 points
- Part 2: Grammar & Vocabulary, 75 multiple-choice questions, 75 points
- Part 3: Reading, 10 multiple-choice questions, 10 points
- Part 4: Writing, 10 short-answer questions, 20 points
- Part 5: Speaking, 1 audio recording, 20 points

You will be allowed **3 hours** to take the exam. For students who are using the new Online Audio via the Internet, the testing site will provide Internet access and a headset with microphone. Alternative methods require the student to either bring a blank cassette or a CD on which to record the speaking portion of the exam.
