

North Carolina Driver License Exam BrainDumps

To obtain a North Carolina driver's license you must pass a written exam consisting of 25 poorly-written multiple-choice questions. To pass, you must answer at least 20 questions correctly. There are several different versions of the test, but they all use the same basic pool of questions.

Many of the questions asked are so insipid that they fly in the face of common sense, and reading through the 108-page [driver's handbook](#) offered at the [DMV](#) will not necessarily help you to pass. Memorize the brief list of facts below, especially the bold parts, and you should do fine. This is not a complete list of questions or a cheat-sheet, just an aide to help you when the right answer is an arbitrary choice among several common-sense responses.
