The Oxford Handbook of American Sports Law Michael A. McCann, 2018. The Oxford Handbook of American Sports Law is a timely and engaging compilation of commentaries by leading experts on the most significant issues in US sports law. The book blends analysis of historical and contemporary controversies with prescriptions for how courts and lawmakers can reconcile the competing interests of leagues, owners and players. The Handbook also establishes a foundation for future research on sports law issues. As technology and social media alter the ways fans, athletes and team officials interact, legal doctrine will be challenged to adapt, and the Handbook both forecasts these debates and outlines where the law may be headed.
