

NHTSA Safety Grant Management Overview

- NHTSA, under Section 402 of the Highway Safety Act, distributes State and community grant funds to these agencies for behavioral traffic safety programs aimed at preventing crashes and their attendant costs, both human and financial.
- An estimated \$600 million annually goes to State Highway Safety Offices (SHSOs). These funds include State and Community grants, based on a statutory formula, as well as the National Priority Safety Program grants, which are criteria based grant funds.
- These funds are used to support countermeasure strategies and projects identified in the States' Highway Safety Plan (HSP).
