French Foreign Policy ,1967 **"Eat the Heart of the Infidel"** Andrew Walker, 2018-04-01 Boko Haram s appetite for violence and kidnapping women has thrust them to the top of the global news agenda In a few years they all but severed parts of Nigeria Africa s most populous state and largest economy from the hands of the government When Boko Haram

speaks the world sees a grimacing ranting demagogue who taunts viewers claiming he will eat the heart of the infidels and calling on Nigerians to reject their corrupt democracy and return to a pure form of Islam Thousands have been slaughtered in their campaign of purification which has evolved through a five year bloody civil war Civilians are trapped between the militants and the military and feel preyed upon by both Boko Haram did not emerge fully formed In Northern Nigeria which has witnessed many caliphates in the past radical ideas flourish and strange sects are common For decades Nigeria's politicians and oligarchs fed on the resources of a state buoyed by oil and turned public institutions into spoons for the pot When the going was good it didn't matter But now a new ravenous force threatens Nigeria **Daily Report, Foreign**

Counter-Insurgency in Nigeria Akali Omeni, 2017-09-08 This book offers a detailed examination of the counter insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017 Based on extensive fieldwork conducted with military units in Nigeria Counter Insurgency in Nigeria has two main aims First it seeks to provide an understanding of the Nigerian military's internal role a role that today as a result of internal threats pivots towards counter insurgency The book illustrates how organizational culture historical experience institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents specifically plans and operations between June 2011 and April 2017 Within this second theme emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force recalibrated themselves for COIN warfare A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram and this book aims to disperse that veil of secrecy Furthermore the work's analysis of the air force's role in counter insurgency is unprecedented within the literature on military warfare in Nigeria This book will be of great interest to students of military studies counter insurgency counter terrorism African politics and security studies in general

The International Politics of the Nigerian Civil War, 1967-1970 John J. Nigeria ,1996 African Concord ,1989 *Corruption Risks in Nigeria'S Defence and Security Establishments* Jude Uddoh Ph.D.,2016-02-05 This work attempts to assess corruption risks in five key areas of Nigerias defence and security establishments namely political financial personnel operations and procurement Using a simple and straightforward question and answer format the assessment draws from interviews with key players in the industry as well as from secondary sources The scope of the work includes the last few years of President Goodluck Jonathans administration and the threshold of the administration of President Muhammadu Buharia truly epochal period in the history of Nigerias fight against corruption but also reflects policy gaps inherent in the transition in government The work contributes to an area of literature which is both scanty and characterized by much secrecy It is hoped therefore that this contribution will not only stimulate more frank and open discussion on the subject of corruption risks in Nigerias defence and security sector but would also act as both a template and benchmark on which policy makers can embark on genuine and meaningful reforms **The News** ,2000
